Nothing is more precious than a healthy child

Northeastern Tribal Health System is here to help keep you and your family healthy!

We know how important your child's health is to you. We also know how expensive health insurance can be. That's why we're excited to tell you about a medical coverage program for your Native American child, newborn to 18 years old, that is NO or VERY LOW COST TO YOU!

CALL TODAY

and speak with our qualified benefits coordinator to see if your child is eligible!
