

Texas Medicare-Medicaid Program Demonstration Summary of Changes to the Three-Way Contract

The three-way contract was re-executed on November 1, 2020 with the following changes:

- Updated the new demonstration end date to December 31, 2021 (5.8.1) with options for renewal in 2022 and 2023. Also, updated applicable provisions throughout (e.g., savings percentages and quality withhold measures for Demonstration Years 6 through 8) (4.2.4, 4.4.5.6).
- Updated the terms of the Quality Withhold Measures to apply an additional 1% withhold to the Medicare A/B rate component only for Demonstration Years 6-8 (4.4.5.6).
- Updated contract renewal timeframes consistent with the updated scheduled end date (5.8.1.1).
- Added a new Appendix I – Additional Medicare Waivers to include a previously established waiver to allow dually eligible beneficiaries to change enrollment on a monthly basis and a new waiver related to the network adequacy methodology being specific to the dually eligible population instead of all Medicare beneficiaries (Appendix I).
