To obtain your CMS/CEUs you must complete the post assessment questions that can be found on the upcoming current events page. To obtain the CCB/CCUs you need complete the CMS attendance survey that can also be found on that same upcoming current events page. Instructions on the CEUs can also be found on page 14 of the conference guide. And one note please, the certificates for this event will not be issued until after June 13th. Okay so certificates will not be issued until after June 13th.

Alright, and moving on we have one very last question and that is, if you would like to evaluate today's event? Go ahead and select A to I would like to complete the event survey and then click on that link, it will take you to a number of questions that go over the entire day and all of the sessions. If you did not participate in polling today, but would like to provide your feedback regarding today's events, a link to the survey will be emailed to you at the close of this conference, or you can utilize the QR code which can be found on any of the tables outside the auditorium or in the participant instructions.
