

THE SECRETARY OF HEALTH AND HUMAN SERVICES  
WASHINGTON, D.C. 20201

December 14, 2012

The Honorable Vincent Gray  
Mayor of The District of Columbia  
1350 Pennsylvania Avenue, NW  
Washington, DC 20004

Dear Mayor Gray:

I am pleased to inform you that the District of Columbia has received conditional approval to establish a State-based Exchange. Congratulations on reaching this significant milestone on the path to establishing an Exchange for the citizens of the District of Columbia.

Conditional approval reflects the substantial progress the District of Columbia Health Benefit Exchange (D.C. HBX) has made and an expectation that D.C. HBX will be ready to provide affordable, quality coverage for consumers and small businesses in 2014.

The Centers for Medicare & Medicaid Services (CMS) has reached this decision based on D.C. HBX's self-assessment, progress to date, and expected progress across the entire spectrum of Exchange requirements, and is contingent upon the following conditions:

1. Timely demonstration of the ability to perform all required Exchange activities in line with the attestations the District of Columbia has made in its Exchange Blueprint Application submission;
2. Ongoing compliance with future guidance and regulations. During the first year of the program (plan year 2014), approval of a State-based Exchange will account for timelines related to guidance and infrastructure development; and
3. HBX's ability to ensure a sustainability model.

CMS will continue its work with all Exchanges, including providing more detailed information directly to your State Exchange, D.C. HBX.

Sincerely,

A handwritten signature in black ink that reads "Kathleen Sebelius".
