Additionally, C7902 does not count towards the DMH cap when requirements are met for eligible DMH claims. See Remote Mental Health Add-on Code Editing for more information.
4.	Logic	1/1/2017	89	<u>Logic Correction:</u> A correction was made for FQHC claims processing, bill type 077x, and edit 89; the line order processing was incorrectly evaluating qualifying visit pairs when the correct pairings were present.
