* The “FY 2025 SNF QRP” refers to the fiscal year for which the SNF QRP requirements applicable to that fiscal year must be met for a SNF to receive the full annual update when calculating the payment rates applicable to it for that fiscal year.

** FY 2024 SNF PPS Final Rule published August 7, 2023 on the Federal Register. Available at:
<https://www.cms.gov/medicare/medicare-fee-for-service-payment/snfpps/list-of-snf-federal-regulations>.

^ HCP COVID-19 vaccination rates and HCP Influenza vaccination rates for swing-bed providers are submitted by the parent facility in which the swing beds reside. For example, if the swing-bed exists within a Long Term Care Hospital or Acute Care Hospital, the measure data for that parent hospital type includes the swing beds within that facility.

The COVID-19 Vaccination among Healthcare Personnel measure was modified in the FY 2024 SNF PPS Final Rule. The new definition is effective with reporting beginning 10/1/2023.
