

# Home Health | OASIS-E Quality Reporting Program RESOURCE GUIDE

Virtual Training Program  
September 13 and 14, 2022

The Centers for Medicare & Medicaid Services (CMS) provides multiple resources for Home Health (HH) providers. Below is a list of valuable resources to support your understanding of the Outcome and Assessment Information Set (OASIS)-E guidance.

## Guidance Resources for the OASIS-E

Resources can be found within the Downloads section of the following links:

- [OASIS-E Guidance Manual.](#)
- [OASIS-E Data Sets.](#)

## Home Health Quality Reporting Program (HH QRP)

- [Home Health Quality Reporting Program.](#)
- [Home Health Quality Reporting Training.](#)
- [Home Health Quality Measures.](#)
- [Home Health Quality Reporting Requirements.](#)

## Additional HH Resources

Additional HH resources can be found at the following links:

- [HH QRP Quick Reference Guide.](#)
- [CMS Quality Improvement and Evaluation System Technical Support Office | Reference and Manuals.](#)

## Plain Language Resources

It is recommended that reconciled medication lists are provided to patient, family, and caregivers in consumer-friendly terminology and plain language to ensure that provided information is clear and understandable. Please use the link for more information on [Plain Language](#).

## Social Determinants of Health Information
