<sup>1</sup> Includes catastrophic benefits for Part A in FY 1990. Includes Part B transfer to Medicaid. Includes Transitional Assistance for FY 2004 through FY 2007. Includes Part D prescription drug benefits beginning in FY 2006. Excludes Quality Improvement Organization expenditures.

<sup>2</sup> Total computable benefit payments (Federal and State combined). Historical data for FYs 1980-1994 reflect total computable medical assistance payments reported by the States on line 11 of the HCFA-64 and predecessor forms. Historical data for FYs 1995-2007 include line 11 total computable medical assistance payments and outlays for the Vaccines for Children Program but do not include total computable Title XIX expenditures for the State Children's Health Insurance Program. Budget data for FYs 2008 and 2009 reflect current law estimates of total adjusted computable medical assistance payments and outlays for the Vaccines for Children Program.

<sup>3</sup> Total computable benefits (Federal and State combined). Historical data for FYs 1998-2000 include total computable State Children's Health Insurance Program (SCHIP) expenditures under both Title XIX and Title XXI, as reported by the States for those years.
