To whom it may concern:

As you may be aware, the Silver State Health Insurance Exchange (SSHIE) currently operates as a State-Based Marketplace using the Federal Exchange (SBM-FE). In March of 2018 SSHIE began seeking proposals from qualified vendors to provide an integrated online health insurance exchange technology platform and associated consumer assistance center.

Assuming the procurement process successfully identifies a vendor, or vendors that meet the qualification outlined in SSHIE's request for proposal, and can reduce the agency's operational costs, Nevada – through the SSHIE Board of Directors – intends to operate a State-Based Exchange effective plan year 2020 and on-going.

The Executive Director for SSHIE is designated as the primary point of contact, and is authorized to bind the state with the U.S. Department of Health and Human Services (HHS) regarding the state's Exchange, as well as complete and sign the Blueprint Application; her contact information is, as follows:

Heather Korbolic, Executive Director
Silver State Health Insurance Exchange
2310 S. Carson St. Suite 2
Carson City, NV 89701
(775) 687-9938
hkorbolic@exchange.nv.gov

The State of Nevada acknowledges that HHS and the state may agree to amend this Declaration of Intent Letter to include additional information necessary to establish the intended State-Based Exchange.

Should you require any additional information regarding Nevada's application, please feel free to contact Ms. Korbolic.

Sincere regards,
