SNF Care Compare Refresh with Revised DTC Measure Data

The Skilled Nursing Facility (SNF) refresh with revised Discharge to Community (DTC) measure data is now available. Please visit the *Skilled Nursing Facility* web page within Care Compare and Provider Data Catalog (PDC) to view the updated quality data.

The Centers for Medicare & Medicaid Services (CMS) discovered an error in measure calculations for the DTC-Post Acute Care (PAC) SNF Quality Reporting Program (QRP) measure. CMS has re-released the corrected measure data in a refresh on **October 27, 2021**. The data are based on Medicare claims data submitted to CMS for the **FY2018-2019 reporting period (10/01/2017-09/30/2019).**
