Travel expenses include airfare, lodging, ground transportation, per diem, and miscellaneous expenses incurred during the course of travel.

* State travel expenses for education, training, or consultative activities are paid and reported under section 1936(e)(2)(B) of the Social Security Act. The activities listed include seven different training course offerings held in FFY 2020. Also included are two workgroup meetings and a line item for travel during FFY 2020 for a CPC coding certification exam for one state employee. Nine courses were canceled due to the federal government shutdown Public Health Event (PHE) March – September 2020. For those courses canceled due to the PHE, two incurred cancellation travel fees. One of the PHE canceled course offerings was held virtually with no travel costs expended.
