Medicare and Medicaid Notice to the Public

Notice is hereby given that on January 13, 2023, the Centers for Medicare & Medicaid Services (CMS) will terminate the agreement between the Secretary of Health and Human Services and Windsor Estates of St. Charles, St. Charles, Missouri as a skilled nursing facility in the Medicare program. In addition, as authorized by the Missouri Department of Health and Senior Services notice is given that the provider's agreement as a nursing facility in the Medicaid program will also be terminated effective January 13, 2023. These actions are taken because CMS has determined that Windsor Estates of St. Charles failed to attain substantial compliance with certain Medicare and Medicaid participation requirements as mandated by Sections 1819(h)(2)(C) of the Social Security Act and Federal regulations at 42 CFR §488.412 and 488.456). If the provider demonstrates substantial compliance with all CMS requirements, and a revisit survey confirms substantial compliance, prior to January 13, 2023, the provider will remain active in the Medicare Program and CMS will not terminate their provider agreement.

Federal Financial Participation will not be available to the State for any Medicaid residents admitted to the facility on or after August 24, 2022. For Medicaid residents admitted prior to August 24, 2022, Federal Financial Participation may continue to be made to the State for up to 30 days of covered services to qualified residents furnished on or after January 13, 2023, the date of termination.
