

## International Classification of Diseases, 10th Revision (ICD-10) and Other Coding Revisions to National Coverage Determinations (NCDs)—January 2023 Update – 2 of 2

MLN Matters Number: MM12842 **Revised**

Related Change Request (CR) Number: 12842

Related CR Release Date: **October 5, 2022**

Effective Date: January 1, 2023, unless otherwise specified in CR 12842

Related CR Transmittal Number: **R11636OTN**

Implementation Date: January 3, 2023

**Note: We revised this Article due to a revised CR 12842. As a result, we deleted the bullet point for NCD 150.3 on page 2. Also, we changed the CR release date, transmittal number and the CR web address. All other information remains the same.**

### Provider Types Affected

---

This MLN Matters Article is for physicians, providers and suppliers billing MACs for services they provide to Medicare patients.

### Provider Action Needed

---

Make sure your staff knows about:

- Newly available codes
- Separate NCD coding revisions
- Coding feedback

[Previous NCD coding changes](#) are available. Also, see the [NCD spreadsheets](#) for CR 12842.

CMS isn't including any policy changes in this ICD-10 quarterly update. We cover NCD policy changes using the current, longstanding NCD process.

### Background

---

CR 12842 is a maintenance update of ICD-10 conversions and other coding updates specific to NCDs. These NCD coding changes are the result of newly available codes, coding revisions to NCDs released separately, or coding feedback received.

The translations from ICD-9 to ICD-10 aren't consistent one-to-one matches, nor are all ICD-10

codes appearing in a complete General Equivalence Mappings (GEMs) mapping guide or other mapping guides appropriate when reviewed against individual NCD policies.

Relevant NCD coding changes in CR 12842 include:

- NCD 20.32 Transcatheter Aortic Valve Replacement (TAVR)
- NCD 110.18 Aprepitant
- NCD 110.23 Stem Cell Transplants
- NCD 160.18 Vagus Nerve Stimulation (VNS)
- NCD 190.3 Cytogenetic Studies
- NCD 210.6 Screening for Hepatitis B Vaccine
- NCD 220.6.17 PET for Solid Tumors
- NCD 220.6.20 PET Beta Amyloid for Dementia/Neurodegenerative Disease
- NCD 260.1 Adult Liver Transplants
- NCD 260.5 Intestinal/Multi-Visceral Transplant
- NCD 260.9 Heart Transplants

MACs will adjust any claims processed in error associated with CR 12842 that you bring to their attention.

## More Information

---

We issued [CR 12842](#) to your MAC as the official instruction for this change.

For more information, [find your MAC's website](#).

## Document History

---

Date of Change	Description
October 5, 2022	We revised this Article due to a revised CR 12842. As a result, we deleted the bullet point for NCD 150.3 on page 2. Also, we changed the CR release date, transmittal number and the CR web address. All other information remains the same.
August 12, 2022	Initial article released.
