

Acción Requerida – Se necesita información adicional para verificar el ingreso anual

Se le puede requerir a un consumidor que envíe documentos que confirmen o añadan a la información que ingresaron en la solicitud del Mercado. Su Aviso de Elegibilidad incluirá una lista de documentos aceptables e instrucciones para enviarlos.

Este ejemplo del aviso de “Acción Requerida” es para un consumidor que presentó documentos, pero necesita enviar información adicional sobre el ingreso anual del hogar. El Mercado no pudo verificar el ingreso anual del hogar del consumidor porque los documentos presentados no contenían suficiente información sobre la cantidad del ingreso anual del consumidor.

El aviso le advierte al consumidor que perderá el nivel de créditos fiscales y las reducciones de costos compartidos que está recibiendo actualmente como parte de su cobertura médica del Mercado si el Mercado no puede verificar el ingreso anual del hogar. Para evitar perder su nivel actual de créditos fiscales y reducciones de costos compartidos, el aviso explica que el consumidor necesita enviar documentos de ingresos aceptables para cada miembro del hogar para que el Mercado pueda verificar el ingreso anual del hogar. El aviso también incluye una lista de documentos aceptables que el consumidor puede presentar.

También se les puede solicitar a los consumidores que presenten documentos que confirmen su estatus migratorio, acceso a otra cobertura médica y otra información. Para más información sobre cómo enviar documentos solicitados por el Mercado y ver listas de documentos aceptables, visite CuidadoDeSalud.gov/es/verify-information/documents-and-deadlines.

ACTION REQUIRED: The Health Insurance Marketplace needs more information to verify your household income information.

This notice affects: [REDACTED]

You are getting this message because you submitted one or more documents that we requested in your Eligibility Notice. We still can't verify your yearly household income. This may be because the income you stated on your application has changed and needs to be updated on your Marketplace application or because we need additional information, like recent income documents.

Reporting income changes to the Marketplace:

If you had a change in your yearly household income since you applied for Marketplace coverage, it's important to report that change to the Marketplace. This information may affect the coverage or savings you're eligible for and protect you from owing money back when you file your taxes. To report changes:

- Visit [HealthCare.gov](https://www.healthcare.gov) and log into your Marketplace account. Select your existing application, choose "Report a life change" from the menu on the left, then click on the "Report a Life Change" at the bottom of the page. Select the button that says "Report a change in my household's income, size, or other information," then click "Continue." Review your application to make sure everything is correct. Provide any updates, like changes in income and household size, then submit your updated application.
- Or call the Marketplace Call Center.

Verifying income with additional documents:

If your yearly household income is correct on your Marketplace application and you don't have changes to report, send us recent income documents for all members of your household who have income so we can confirm your yearly household income.

Examples of documents you can send include:

- 1040 federal or state tax return – Must contain first and last name, income amount, and tax year. Starting with 2018 tax returns, if you file Schedule 1, you must submit it with your 1040. Schedule 1

shows additional income and adjustments, like capital gains, unemployment compensation, student loan interest, or self-employment tax.

- Wages and tax statement (W2 and/or 1099, including 1099 MISC, 1099G, 1099R, 1099SSA, 1099DIV, 1099SS, 1099INT). Must contain first and last name, income amount, year, and employer name (if applicable).
- Pay stub. Must contain first and last name, income amount, and pay period or frequency of pay with date of payment. If a pay stub includes overtime, please indicate average overtime amount per paycheck.
- Self-employment ledger documentation (can be a Schedule C, the most recent quarterly or year-to-date profit and loss statement, or a self-employment ledger). Must contain first and last name, company name, and income amount. If submitting a self-employment ledger, include dates covered by the ledger, and the net income from profit/loss.
- Social Security Administration Statements (Social Security Benefits Letter) Must contain first and last name, benefit amount, and frequency of pay.
- Unemployment Benefits Letter. Must contain first and last name, source/agency, benefits amount, and duration (start and end date, if applicable).

For a full list of documents you can submit, visit [HealthCare.gov/help/how-do-i-resolve-an-inconsistency](https://www.healthcare.gov/help/how-do-i-resolve-an-inconsistency) and click “Household income.”

If you don't submit acceptable documents or report a change in yearly household income (if applicable), you may not be able to keep your Marketplace coverage with the level of tax credits and cost-sharing reductions you may be receiving now.
