

**APTC Expansion Reenrollment Message with increased financial assistance due to additional APTC amounts and Unemployment Compensation:** Notice sent when the Marketplace applies extra financial help in 2021 for an existing enrollee

A new law (known as the American Rescue Plan Act of 2021) increased the financial assistance that's available to existing Marketplace enrollees. If a consumer is eligible for advance payments of the premium tax credit (APTC) and they haven't updated their application since the increased financial assistance became available, the Marketplace may automatically increase the amount of financial assistance that's available to them. When this occurs, the household's primary contact will get a new APTC Expansion Reenrollment Message in their Marketplace account. This notice may also be sent through U.S. postal mail, depending on the primary contact's notification preferences. The APTC Expansion Reenrollment Message will indicate how much APTC was applied to the consumer's policy and the new share of the premium the consumer is responsible to pay. It will also remind the consumer that they can update their application to:

- change the amount of APTC they want to use
- find out if they qualify for more financial help to pay for out-of-pocket costs
- compare plans, if they want to choose a new one

As shown in the following sample notice, the APTC Expansion Reenrollment Message may also indicate that the consumer is already getting extra savings because they reported that they or someone in their household received or will receive unemployment compensation in 2021.

In addition to getting the APTC Expansion Reenrollment Message, this consumer will also receive an updated Eligibility Notice.

**You'll owe a lower monthly premium starting on September 1, 2021. A new law (known as the American Rescue Plan Act of 2021) allows more people to qualify for help paying for health coverage. You're eligible for extra financial help due to this recent change in the law.**

You remain enrolled in the Marketplace plan(s) below. You qualify for extra financial help due to the recent change in the law, and you're also paying a lower premium because you told us that you or someone in your household received or will receive unemployment compensation this year.

In addition, extra savings may be available if you act now. Based on the unemployment compensation you reported, you may qualify for more reductions to your out-of-pocket costs in 2021. To find out if you're eligible, visit [HealthCare.gov](https://www.healthcare.gov) to update your Marketplace application as soon as possible.

## **Important information about your financial help in 2021.**

We're applying the full amount of tax credit that you can use to your monthly premium. If you want to use less of your monthly tax credit amount, follow these steps:

1. Visit [HealthCare.gov](https://www.healthcare.gov), log into your Marketplace account, and select your 2021 application.
2. Select "Report a life change" and navigate through your application.
3. Submit your application and follow all steps to continue to enrollment.
4. Select your plan, then adjust the amount of tax credit to apply to your monthly premium.

If you want to change your plan, be sure to take these steps by August 15.

## **Why am I receiving extra financial help?**

Under the new law, you qualify for more tax credits to help pay your health insurance premium. As a result, we've lowered your monthly premium amounts for the remainder of 2021.

## **What should I do next?**

For each plan shown, continue to pay your monthly premium amounts for the current coverage year. Check with your plan if you need to confirm your payment amounts.

If you experience changes, like to your household size or to your income, be sure to log into your Marketplace account and report the change.
