

MyCare Ohio Demonstration
Summary of Changes to the Three-Way Contract

The three-way contract was amended on February 1, 2020 and updates the following:

1. Extends the assessment completion timeframe for beneficiaries included in a 3-month passive enrollment phase-in, starting February 1, 2020, from no later than seventy-five (75) days from the enrollment effective date to no later than ninety (90) days from the enrollment effective date. (Section 2.5.3.2.1.5)
2. The assessment completion timeframe for beneficiaries will resume to seventy-five (75) days from the enrollment effective date, starting with enrollments effective May 1, 2020.
3. The extended assessment completion timeframe for beneficiaries with enrollment dates effective on February 1, 2020, March 1, 2020, and April 1, 2020 accounts for a higher than expected number of eligible passive enrollees during this time period.
