**Memorandum Summary**

- **Upcoming Webinar:** The Centers for Medicare & Medicaid Services (CMS) Division of Nursing Homes is hosting the second in a series of three webinars on current issues in infection control. The second webinar, “Preventing Urinary Tract and Respiratory Tract Infections in the Nursing Home” is scheduled for Monday, March 30, 2015, 2:00-3:30 pm EST.
- This webinar is **mandatory** for all State and regional nursing home surveyors. The topics to be discussed are relevant to their work in the field.

**Purpose**

The CMS Division of Nursing Homes is hosting the second in a series of three webinars on current issues in infection control. The second webinar, “Preventing Urinary Tract and Respiratory Tract Infections in the Nursing Home” is scheduled for Monday, March 30, 2015, 2:00-3:30 pm EST. This webinar series is intended for State Survey Agency and Regional Office staff; however each webinar is mandatory for all State Survey Agency and Regional Office nursing home surveyors. The topics to be discussed are relevant to their work in the field.

The third and final webinar in the series will occur in April, and it will be announced via memorandum. There will also be an encore live presentation of the entire webinar series: part one in June, part two in July and part three in August of this calendar year. All webinars in this series will be archived within 60 to 90 days of the first offering. If you have suggestions for webinar topics or questions related to infection control and prevention that you would like to see in a future webinar, you are encouraged to submit them as soon as possible.

**Webinar Details**

On March 30, 2014, the Division of Nursing Homes is producing a webinar, “Preventing Urinary Tract and Respiratory Tract Infections in the Nursing Home” presented by Jemima Drake and Karen Hoffmann, an infection preventionist and CMS contract consultant for infection control and prevention. This will be the second in a series of three webinars on current issues in infection control. The topics covered in this 90 minute webinar will include:

- Differentiate between asymptomatic bacteriuria and urinary tract infection (UTI); and differentiate bacterial and viral respiratory tract infections (RTIs) in elderly.
- Learn geriatric “pearls” in identifying, preventing and treating UTIs and RTIs.
- Review nursing home regulations associated with infection prevention and control measures.
- Review the Agency for Healthcare Research and Quality (AHRQ) catheter associated urinary tract infections (CAUTI) Safety Program.
