Training Materials Available for the August 15 IRF QRP Refresher Webinar

Training materials (without answers to polling and knowledge check questions) for the upcoming **IRF (Inpatient Rehabilitation Facility) Quality Reporting Program (QRP) Refresher Webinar on Tuesday, August 15, 2017, from 2:00 to 4:00 p.m. ET** are now available in the Downloads section below.

The primary focus of the webinar will be to provide additional training and guidance on correct data collection and submission procedures for the IRF PAI 1.4 and information on preliminary trends from the data analysis of new items that went into effect on October 1, 2016. During the webinar, some of the questions received at past IRF training events will be addressed. The presenters will also offer a demonstration on how to access resources available on cms.gov to assist providers in better understanding the IRF QRP.

If you have not yet had a chance to register, please CLICK HERE. Those who register will be provided with a URL to access the training and download an Outlook Calendar Reminder immediately upon completing the registration process.

If you have questions or need additional information about the logistics of the training session, please email the PAC Training mailbox at PACTraining@econometricainc.com.

TRAINING MATERIALS AVAILABLE for the May 2 Review and Correct Reports Provider Training – Live Webcast

The training materials (without answers to knowledge checks) for the upcoming **Review and Correct Reports Provider Training – Live Webcast on Tuesday, May 2, 2017, from 2:00 to 3:30 p.m. ET** are now available in the Downloads section below.

The focus of this training will be to assist providers from the following care settings in better understanding how Review and Correct Reports fit within the overall Quality Reporting Program: Skilled Nursing Facilities, Inpatient Rehabilitation Facilities, and Long-Term Care Hospitals. Additionally, this training will provide information about re-submitting data to correct errors prior to the quarterly submission deadlines to ensure the accuracy of the data which will ultimately be publicly displayed.

If you have not yet had a chance to register, please CLICK HERE. Those who register will be provided with a URL to access the training immediately upon completing the registration process.

This training will be recorded and posted to the CMS YouTube site following the actual event.

If you have questions or need additional information about the logistics of the training session, please email the PAC Training mailbox at PACTraining@econometricainc.com.
