Participant Instructions for Post-Conference Participant Survey and Polling Technology

Overview

The CMS 2019 Medicare Advantage & Prescription Drug Plan Fall Conference and Webcast will offer all participants an option to participate in interactive polling during presentations as well as to evaluate each session.

Using Polling Technology to Interact during Presentations & Evaluate Sessions

Below are instructions on how to use Poll Everywhere® polling technology to interact during presentations and evaluate the conference sessions. There are two options for participation. Select the link below based on your preference.

1. Text Message – Participants can respond from smart phones by sending a text message.
2. Web Browser – Participants can respond by accessing the unique Poll Everywhere® web page from any device (smart phone, tablet or computer) connected to the internet.

During the event, if you experience any technical issues relating to Poll Everywhere® polling technology, please submit them to tklagholz@provider-resources.com. All other issues and comments should be sent to CTEOTechSupport@cms.hhs.gov.
