¹ Totals include beneficiaries enrolled in employer/union only group plans (contracts with "800 series" plan IDs). Where a beneficiary is enrolled in both an 1876 cost or PFFS plan and a PDP plan, both enrollments are reflected in these counts.

² Pilots refer to contracts to provide care management services for fee-for-service beneficiaries with chronic conditions. The data for this product are being included since they are part of the total monthly Medicare payment.

NOTES: Totals reflect enrollment as of the October 1, 2009 payment. The October payment reflects enrollments accepted through September 11, 2009.
