Attestation Requirements

YES / NO / EXCLUSION

Eligible professionals (EPs) must attest YES to having enabled this functionality and having had access to at least one internal or external formulary for the entire EHR reporting period to meet this measure.

An EP who writes fewer than 100 prescriptions during the EHR reporting period can be excluded from this objective and associated measure. EPs must enter '0' in the Exclusion box to attest to exclusion from this requirement.

Additional Information

- At a minimum an EP must have at least one formulary that can be queried. This may be an internally developed formulary or an external formulary. The formularies should be relevant for patient care during the prescribing process.
