

## **Provider Partnership Program (PPP) E-mail Notification Archives**

**March 1, 2005**

Hello everyone!

CMS is in the process of developing messages to educate and inform providers about the National Provider Identifier (NPI). We are seeking volunteers who are willing to review a one-page document about the NPI and provide us with comments within 24-hours after receipt of the document.

If you are interested in reviewing this document, please let me know by replying to this email. We will forward the document to you upon its availability.

As always, we highly value the partnership that exists between you and CMS and thank you for all of your outstanding support and assistance!

With warmest regards,

Valerie
