

News Flash – The fifth annual national administration of the Medicare Contractor Provider Satisfaction Survey (MCPSS) is now underway. If you received a letter indicating that you were randomly selected to participate in the 2010 MCPSS, CMS urges you to take a few minutes to go online and complete this important survey via a secure Internet website. Responding online is a convenient, easy, and quick way to provide CMS with your feedback on the performance of the FFS contractor that processes and pays your Medicare claims. Survey questionnaires can also be submitted by mail, secure fax, and over the telephone. To learn more about the MCPSS, please visit the CMS MCPSS website at <http://www.cms.gov/mcpss> or read the CMS Special Edition MLN Matters article, SE1005, located at <http://www.cms.gov/MLN MattersArticles/downloads/SE1005.pdf> on the CMS website.

Background

The Health Insurance Portability and Accountability Act requires all health care benefit payers to use only Claim Status Category Codes and Claim Status Codes approved by the national Code Maintenance Committee in the X12 276/277 Health Care Claim Status Request and Response format adopted as the standard for national use (004010X093A1). These codes explain the status of submitted claims. Proprietary codes may not be used in the X12 276/277 to report claim status.
