

**FINAL ADDENDA FY 1998
ICD-9-CM VOLUME 3, PROCEDURES**

Tabular List

Misspelled	11.71 Keratomjleusis
	34.04 Insertion of intercostal catheter for drainage
Add inclusion term	<u>Chest tube</u>
Add inclusion term	<u>Revision of intercostal catheter (chest tube) (with lysis of adhesions)</u>
New code	37.35 Partial ventriculectomy Ventricular reduction surgery Ventricular remodeling
	Code also any synchronous: mitral valve repair (35.02,35.12) mitral valve replacement (35.23 - 35.24)
New code	41.05 Allogeneic hematopoietic stem cell transplant
New code	41.06 Cord blood stem cell transplant
	46.1 Colostomy
Add exclusion term	Excludes: <u>that with abdominoperineal resection of rectum (48.5)</u>
Add inclusion term	48.5 Abdominoperineal resection of rectum <u>Includes: with synchronous colostomy</u>

51.88 Endoscopic removal of stone(s) from biliary tract

Add inclusion term Laparoscopic removal of stone(s) from biliary tract

56.0 Transurethral removal of obstruction from ureter and renal pelvis

Add exclusion term Excludes: manipulation without removal of obstruction (59.8)

59.5 Retropubic urethral suspension
Burch procedure

Add inclusion term

68.7 Radical vaginal hysterectomy

Code also any synchronous:
removal of tubes and ovaries (65.61-
65.64)

Revise subterm

80.0 Arthrotomy for removal of prosthesis

Add inclusion term Includes: cement spacer

81.5 Joint replacement of lower extremity

Add inclusion term Includes: removal of cement spacer

Add inclusion term 81.97 Revision of joint replacement of upper extremity
Includes: removal of cement spacer

Add inclusion term 86.09 Other incision of skin and subcutaneous tissue
Creation of thalamic stimulator pulse generator
pocket, new site

Revise exclusion term Excludes that of:
Add exclusion term cardiac pacemaker pocket, new site (37.79)
Revise exclusion term fascial compartments of face and mouth (27.0)

FINAL ADDENDA FY 1998

ICD-9-CM VOLUME 3, PROCEDURES

Index

Anastomosis

fallopian tube 66.73

Add subterm by reanastomosis 66.79

Add term Batista operation (partial ventriculectomy)(ventricular reduction)(ventricular remodeling) 37.35

Biopsy

Add subterm retroperitoneal tissue 54.24

Add term Burch procedure (retropubic urethral suspension for urinary stress incontinence) 59.5

Catheterization - see also Insertion, catheter
chest 34.04

Add subterm revision (with lysis of adhesions) 34.04

Add subterm intercostal space (with water seal), for drainage 34.04

Add subterm revision (with lysis of adhesions) 34.04

Correction - see also Repair

cornea NEC 11.59

refractive NEC 11.79

Misspelled subterm keratomileusis 11.71

Creation - see also Formation

pocket

Add subterm cardiac pacemaker

Add subterm with initial insertion of pacemaker - omit code

Add subterm new site (skin) (subcutaneous) 37.79

Add subterm thalamic stimulator pulse generator

Add subterm with initial insertion of battery package - omit code

Add subterm new site (skin) (subcutaneous) 86.09

Add subterm thalamic stimulator pulse generator pocket

Add subterm with initial insertion of battery package - omit code

Add subterm new site (skin) (subcutaneous) 86.09

Defibrillation,electric (external)(internal) 99.62
Add subterm automatic cardioverter/defibrillator - see
category 37.9

Formation

Add subterm
Add subterm
Add subterm
Add subterm

pocket
cardiac pacemaker
with initial insertion of pacemaker - omit code
new site (skin) (subcutaneous) 37.79

Add subterm
Add subterm
Add subterm

thalamic stimulator pulse generator
with initial insertion of battery package - omit code
new site (skin) (subcutaneous) 86.09

Revise subterm
Revise subterm
Revise subterm

subcutaneous tunnel
esophageal 42.86
with anastomosis - see Anastomosis, esophagus,
antesternal

Add subterm
Add subterm

pulse generator lead wire 86.99
with initial procedure - omit code

Add subterm
Add subterm
Add subterm

thalamic stimulator pulse generator pocket
with initial insertion of battery package - omit code
new site (skin) (subcutaneous) 86.09

Fragmentation

ultrasonic
Revise subterm

stones, urinary (Kock pouch) 59.95

Hyperthermia NEC 93.35

Revise subterm
Revise subterm
Revise subterm

for cancer treatment (interstitial)(local)
(radiofrequency)(regional) (ultrasound)
(whole-body) 99.85

Incision (and drainage)

skin 86.09

- Add subterm cardiac pacemaker pocket, new site 37.79
- Add subterm subcutaneous tunnel for pulse generator lead wire 86.99
- Add subterm with initial procedure - omit code
- Add subterm thalamic stimulator pulse generator pocket, new site
- 86.09
- Add subterm with initial insertion of battery package - omit code
- Add subterm tunnel, subcutaneous for pulse generator lead wire
- 86.99
- Add subterm with initial procedure - omit code

Incision (and drainage)

subcutaneous tissue 86.09

- with drainage 86.04
- Add subterm tunnel
- Add subterm esophageal 42.86
- Add subterm with anastomosis - see Anastomosis, esophagus, antesternal
- Add subterm pulse generator lead wire 86.99
- Add subterm with initial procedure - omit code

Insertion

catheter

- chest 34.04
- Add subterm revision (with lysis of adhesions) 34.04
- intercostal (with water seal), for drainage 34.04
- Add subterm revision (with lysis of adhesions) 34.04

Insertion

- Add subterm spacer (cement) in joint - see category 80.0

Insertion

stent(s)(stent graft)

- bile duct 51.43
- Add subterm percutaneous transhepatic 51.98
- Add subterm tracheobronchial 96.05

Insertion

tube - see also Catheterization and Intubation

- Add subterm chest 34.04
- Add subterm revision (with lysis of adhesions) 34.04
- Add subterm intercostal (with water seal), for drainage 34.04
- Add subterm revision (with lysis of adhesions) 34.04
- Add subterm tracheobronchial 96.05

Insertion

Revise subterm vascular access device, totally implantable 86.07

Misspelled subterm Keratomileusis 11.71

Manipulation

Revise subterm ureteral calculus by catheter

Add subterm with removal 56.0

Add subterm without removal 59.8

Operation

Add subterm Batista (partial ventriculectomy)(ventricular reduction)(ventricular remodeling) 37.35

Add subterm Burch procedure (retropubic urethral suspension for urinary stress incontinence) 59.5

Revise Production - see *a/so* Formation and Creation

Reduction

Add subterm heart volume 37.35

Add subterm ventricular 37.35

Remodel

Add subterm ventricle 37.35

Removal

calculus

Add subterm common duct(by incision) 51.41

Add subterm laparoscopic 51.88

Repair

stress incontinence (urinary) NEC 59.79

Add subterm by
Burch 59.5

Revision

Add subterm bypass graft (vascular) 39.49
 Add subterm abdominal-coronary artery 36.17
 Add subterm aortocoronary (catheter stent) (with prosthesis) (with saphenous vein graft) (with vein graft) 36.10
 Add subterm one coronary vessel 36.11
 Add subterm two coronary vessels 36.12
 Add subterm three coronary vessels 36.13
 Add subterm four coronary vessels 36.14
 Add subterm CABG - see Revision, aortocoronary bypass graft
 Add subterm chest tube - see intercostal catheter
 Add subterm coronary artery bypass graft (CABG) see Revision, aortocoronary bypass graft, abdominal-coronary artery bypass, and internal mammary-coronary artery bypass
 Add subterm intercostal catheter (with lysis of adhesions) 34.04
 Add subterm internal mammary-coronary artery (single) 36.15
 Add subterm double vessel 36.16

Revision

Add subterm pocket
 Add subterm cardiac pacemaker
 Add subterm with initial insertion of pacemaker - omit code
 Add subterm new site (skin) (subcutaneous) (37.79)
 Add subterm thalamic stimulator pulse generator
 Add subterm with initial insertion of battery package - omit code
 Add subterm new site (skin) (subcutaneous) 86.09

Revision

shunt
 Add subterm peritoneovascular 54.99

Revision

tunnel
 Add subterm pulse generator lead wire 86.99
 Add subterm with initial procedure - omit code

Transplant, transplantation

bone (see also Graft, bone) 78.00

marrow 41.00

Delete stem cell (autologous) (hematopoietic) 41.04
 Add subterm allogeneic (hematopoietic) 41.05
 Add subterm autologous (hematopoietic) 41.04
 Add subterm cord blood 41.06

Add subterm stem cell
 Add subterm allogeneic (hematopoietic) 41.05
 Add subterm autologous (hematopoietic) 41.04
 Add subterm cord blood 41.06

Delete stem cells (autologous) (hematopoietic) 41.04
 Add subterm allogeneic (hematopoietic) 41.05
 Add subterm autologous (hematopoietic) 41.04
 Add subterm cord blood 41.06

Tunnel, subcutaneous (antethoracic) 42.86

esophageal 42.86

Add subterm with anastomosis - see Anastomosis, esophagus, antesternal
 Add subterm pulse generator lead wire 86.99
 Add subterm with initial procedure - omit code

Add term Ventriculectomy, heart
 Add subterm partial 37.35
