Medicaid Services**

**Long-Term Care  
Facility Resident  
Assessment  
Instrument  
User's Manual**

**Version 3.0**

**November 2009**

**Centers for Medicare & Medicaid Services'  
Long-Term Care Facility  
Resident Assessment Instrument (RAI)  
User's Manual  
November 2009  
For Use Effective October 15, 2010**

**The *Long-Term Care Facility Resident Assessment Instrument User's Manual* for Version 3.0 is published by the Centers for Medicare & Medicaid Services (CMS) and is a public document. It may be copied freely, as our goal is to disseminate information broadly to facilitate accurate and effective resident assessment practices in long-term care facilities.**

**This manual replaces CMS's original *Long-Term Care Resident Assessment Instrument User's Manual, Version 2.0*, published October 1995.**

**According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. (Note: The RAI mandated by OBRA is exempt from this requirement.)**

**The valid OMB control number for the Medicare Prospective Payment Form (MPAF) information collection is 0938-0739 and the form has been approved through March 31, 2012. The time required to complete this information collection is estimated to average 40.5 minutes per response, including completion, encoding and transmission of the information collection.**

**The valid OMB control number for the Minimum Data Set for Swing Bed Hospitals and Supporting Regulations information collection is 0938-0872 and the form has been approved through December 31, 2011. The time required to complete this information collection is estimated to average 30.5 minutes per response, including completion, encoding and transmission of the information collection.**

**If you have comments concerning the accuracy of the time estimates(s) or suggestions for improving these forms, please write to: CMS, 7500 Security Boulevard, N2-14-26, Baltimore, Maryland 21244-1850.**
