

Title: Revised Benchmark Benefits Instructions

Subtitle: Instructions for using state-specific information to accurately reflect Individual Market and Small Group Market EHB and state-required benefits on the Plans and Benefits Template.

Purpose: This document provides issuers with instructions for correcting the Benefits Package Worksheet of the Plans and Benefits Template using the included state-specific worksheets (e.g., AK, HI, PA).

Version: 1

Date: Thursday, May 15, 2014

[illegible]

2 Select the appropriate scenario based on the corrections identified in the state-specific spreadsheet

Select the appropriate scenario below (A, B, or C) for each benefit indicated to have a correction to the data populated by the Add-In File in the state-specific spreadsheet.

Scenario A	The state-specific worksheet DOES identify a given benefit as an <i>EHB</i> and/or <i>State Required Benefit</i> and the benefit DOES NOT appear on the Plans and Benefits Template (" <i>Fields Changed</i> " = "Added Benefit"):	
	Cover	If you intend to cover the benefit, add the benefit using the "Add Benefit" button on the menu bar under the Plans and Benefits ribbon, select "Covered" in the " <i>Is this Benefit Covered?</i> " field, and select "Additional EHB" as the " <i>EHB Variance Reason.</i> "
	Do Not Cover	If you do <u>not</u> intend to cover the benefit and instead want to substitute with actuarially equivalent coverage of another benefit in the same EHB category, add the benefit using the "Add Benefit" button on the menu bar under the Plans & Benefits ribbon, select "Not Covered" in the " <i>Is this Benefit Covered?</i> " field, and select "Substituted" as the " <i>EHB Variance Reason.</i> " [For the "new" benefit that is taking the place of this one, select "Additional EHB Benefit" as the " <i>EHB Variance Reason.</i> "] If you do <u>not</u> intend to cover a pediatric dental benefit and there is a stand-alone dental plan available, add the pediatric dental benefit using the "Add Benefit" button on the menu bar, select "Not Covered," and select "Dental Only Plan Available" as the " <i>EHB Variance Reason.</i> "
	The state-specific spreadsheet DOES identify a given benefit as an <i>EHB</i> and/or <i>State Required Benefit</i> and the benefit DOES appear on the Plans & Benefits Template, but the " <i>Is this Benefit Covered?</i> " field is BLANK:	
	Cover	If you intend to cover the benefit, add "Covered" in the " <i>Is this Benefit Covered?</i> " field and select "Additional EHB Benefit" as the " <i>EHB Variance Reason.</i> "
	Do Not Cover	If you do <u>not</u> intend to cover the benefit and instead intend to substitute with actuarially equivalent coverage of another benefit in the same EHB category, select "Not Covered" in the " <i>Is this Benefit Covered?</i> " field and select "Substituted" as the <i>EHB Variance Reason.</i> [For the "new" benefit that is taking the place of this one, select "Additional EHB Benefit" as the " <i>EHB Variance Reason.</i> "] If you do <u>not</u> intend to cover a pediatric dental benefit and there is a stand-alone dental plan available, select "Not Covered" and select "Dental Only Plan Available" as the " <i>EHB Variance Reason.</i> "
	The state-specific worksheet DOES NOT identify a given benefit as an <i>EHB</i> and/or <i>State Required Benefit</i> and the Plans & Benefits Template DOES populate the benefit as "Covered" in the <i>Is this Benefit Covered?</i> field:	
	Cover	If you intend to cover the benefit, leave "Covered" in the " <i>Is this Benefit Covered?</i> " field and select "Above EHB" as the " <i>EHB Variance Reason.</i> "
	Do Not Cover	If you do <u>not</u> intend to cover the benefit, change "Covered" to "Not Covered" in the " <i>Is this Benefit Covered?</i> " field and select "Above EHB" as the " <i>EHB Variance Reason.</i> "

3 Populate the "General Information" fields when completing the Plans and Benefits Template

Provide benefit coverage information for each set of plans in the Benefits Package Worksheet of the Plan and Benefits Template.

For benefits indicated to have corrections in how the benefit data auto-populated:

Complete the "Is this Benefit Covered?" and the "EHB Variance Reason" fields according to the scenario selected in Step 2.

For benefits NOT indicated to have any corrections:

Complete the "General Information" fields according to Chapter 10: *Instructions for the Plans and Benefits Application Section* in the QHP Template Instructions, Sections 4.10 and 4.11.
