

An Important Message from Medicare

Open Enrollment is Earlier This Year

October 15th to December 7th

Even if you are happy with your Medicare Plan, Open Enrollment is the time to compare what you have to all the choices available next year. If you're happy with your current plan, stick with it. Or you might find a new one with better coverage, lower costs, or both. Be sure to check out all the benefits provided by the health care law. Most people with Medicare will get free cancer screenings, yearly wellness visits, preventive care and 50% off brand name prescription drugs when you're in the donut hole. This law also provides better fraud protection, making Medicare stronger.

"I spend more than 100 nights on stage, performing from coast to coast. But each fall, I take a break from my busy schedule to review my Medicare. I might be able to save money, get better coverage or both."

Now that's something to sing about.
