

An important message
from Medicare

Medicare Open Enrollment just got earlier. Tell your friends.

With the health care law, Medicare offers:

- FREE annual wellness visit
- FREE cancer screenings
- Preventive care benefits
- 50% discount on brand-name prescription drugs when you're in the "donut hole"
- Better fraud protection

This year Medicare Open Enrollment is
October 15-December 7

It's time to compare plans, and make sure you have the right health and prescription drug coverage for you. Stay with your current plan if you're happy with it. Or look for a new one with better coverage, higher quality, and lower cost.
