

Ground Ambulance & Patient Billing Advisory Committee

Wrap-Up/Next Steps

Shaheen Halim, Designated Federal Official

Congratulations – Job Well Done!

Next Steps

- **This Winter:**

- The Committee will develop its written Report containing findings, best practices and recommendations for preventing consumer balance billing/surprise billing for ground ambulance services.
- Required under Section 117 of the No Surprises Act.

- **Early 2024:**

- The Committee's Report will be issued to the Secretaries and key Congressional Committees.
- Will be posted on the Committee's Website.

Meeting Artifacts

- The presentations, transcripts, summary and recordings of the 3rd public meeting will be made available on the Committee's Website over the next few weeks.
