Slide 4 of 34 - PAID Act

PAID Act

The Medicare Secondary Payer (MSP) policy is designed to ensure that the Medicare Program does not pay for healthcare expenses for which another entity is legally responsible. To aid settling parties in determining this information, Congress has enacted the Provide Accurate Information Directly Act also known as the PAID Act requiring that CMS provide Non-Group Health Plans with a Medicare beneficiary's Part C and Part D enrollment information for the past 3 years.

This information will be provided both online, in the BCRS application, and COBSW S111/MRA and offline in the NGHP Query Response File. Additionally, CMS has requested that this solution also include the most recent Part A and Part B Entitlement dates.

Slide notes

In order for a Responsible Reporting Entity (RRE) to upload or download files via HTTPS on the Section 111 COBSW, the Account Manager must select HTTPS as the file transmission method during Account Setup.

After Account Setup has been completed and the signed profile report has been returned to the Benefits Coordination & Recovery Center (BCRC), the RRE ID will be in a Testing status and they can begin uploading/downloading test file submissions.

**Slide notes**

An email is sent to the Authorized Representative and Account Manager to notify them that the RRE ID is in a Testing status.

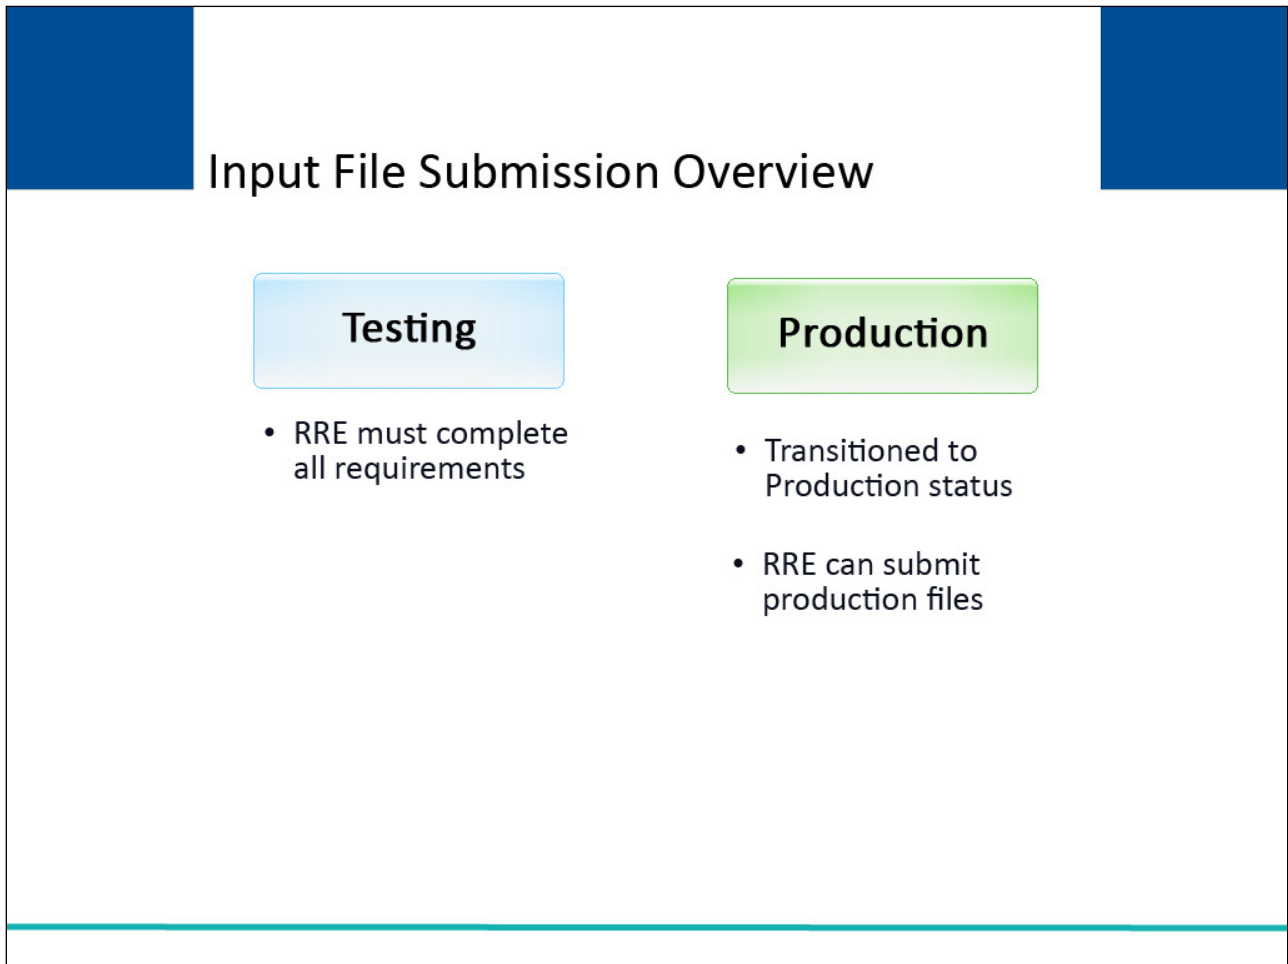

At this point the RRE may begin sending test file submissions.

Test files can only be uploaded after the RRE ID status has been changed to Testing status.

Test files can still be submitted after the RRE ID status has been changed to Production status if they need to test internal changes.

Refer to the Section 111 COBSW Monitor Test File Processing course for more information about test file processing.

Slide 7 of 32 - Input File Submission Overview

The slide features a title 'Input File Submission Overview' centered at the top. Below the title are two columns of information. The left column is headed by a light blue box labeled 'Testing' and contains a single bullet point: 'RRE must complete all requirements'. The right column is headed by a light green box labeled 'Production' and contains two bullet points: 'Transitioned to Production status' and 'RRE can submit production files'. The slide is framed by dark blue bars on the top and sides, and a teal line at the bottom.
