I. GENERAL INFORMATION

A. Background: In certain circumstances, the MACs, CERT, Recovery Auditors and ZPICs may not be able to make a determination on a claim they have chosen for review based upon the information on the claim, its attachments, or the billing history found in claims processing system or the CWF. In those instances, the reviewer shall solicit documentation from the provider or supplier by issuing an additional documentation request (ADR). Reviewers shall be clear in their ADR letters about what documentation submission methods they will accept from a provider, supplier, or Health Information Handler (HIH).

B. Policy: The MACs, CERT, and Recovery Auditors shall accept documents via paper, fax, CD/DVD, and electronic submission of medical documentation (esMD).

3.2.3.5 - Acceptable Submission Methods *for Responses to ADRs* *(Rev.488, Issued: 09-20-13, Effective: 10-21-13 Implementation: 10-21-13)*

This section applies to MACs, Recovery Auditors, CERT, and ZPICs, as indicated.

Reviewers shall be clear in their ADR letters about what documentation submission methods they will accept from a provider or *Health Information Handler (HIH)*. *The MACs, CERT, and Recovery Auditors shall accept documents via paper, fax, CD/DVD, and electronic submission of medical documentation (esMD).*

A. Paper

The MACs, CERT, and Recovery Auditors are encouraged to state in the ADRs that paper medical documentation can be mailed by any means including US Postal Service, FedEx, UPS, or certified mail. To facilitate delivery of documentation, *MACs*, CERT and Recovery Auditors should provide a physical mailing address instead of a P.O. Box.

B. Fax

If the MACs, CERT, or Recovery Auditors have the capability to offer fax confirmation, they are encouraged to send such confirmations with every successfully received fax.

C. Imaged Medical Documentation File(s) Sent on CD/DVD

The MACs and CERT shall state in the ADR that imaged medical documentation files on CD/DVD may be mailed by any means. Recovery Auditor ADRs shall provide a Web site link or phone number that provides information regarding the requirements for submitting imaged documentation on CD or DVD.

D. Medical Documentation Sent via Electronic Submission of Medical Documentation (esMD) Transmission

Electronic Submission of Medical Documentation (esMD) is a system that allows providers/HIHs to submit medical documentation over secure electronic means. Information about the esMD system can be found at www.cms.gov/esMD.

MACs and CERT are encouraged to state in their ADRs how providers can get more information about submitting medical documentation via the esMD mechanism.

Any time a new esMD service or document type is being offered, and any contractor wants to publish a public announcement (Web posting, list serve, tweet, etc.) the contractor must clear the announcement with CMS.
