Re: Assessment Number **XXXXXX**

Dear TITLE LASTNAME:

On (month, day, year), the Department of Health and Human Services (HHS), National Standards Group (NSG) within the Centers for Medicare & Medicaid Services' (CMS) finalized the **<Covered Entity Name>** administrative simplification assessment.

The assessment process included a review of transactions, code sets, unique identifiers, and operating rules. It was comprised of employing a validation software tool to determine whether HIPAA transactions were compliant with the applicable 5010 ASC X12 standards and implementation guides. In addition, it included a manual review of companion guides and operating rule attestations.

The validation tool report(s) contain(s) detailed information pertaining to the violations found during the assessment. If a unique violation occurred multiple times within the report(s), they were considered one violation for assessment purposes. In addition, "Warning" or "Informational" violations were not considered. See the validation error report(s) located in the assessment secure site for **<Covered Entity Name>**.

This final report is to inform you that the assessment findings for **<Covered Entity Name>** demonstrates noncompliance in the following areas: transactions, code sets, unique identifiers, and operating rules. The enclosed violations summary report includes a list of all violations cited for assessment purposes. Each violation includes the unique error number from the validation error report, if applicable, and a reference to the pertinent Technical Report (TR3) and/or Operating Rule. In addition, the validation error report for the description of the violation, if applicable, and the corresponding business message.

NSG considers your compliance to be an essential part in preventing administrative simplification burdens to industry trading partners and covered entities. Therefore, NSG expects your full cooperation and that <Covered Entity Name> will correct all violations cited within this report.

In summary, there were one or more violations found during the assessment process that warrants a subsequent corrective action. <Covered Entity Name> will be notified in a separate letter that will provide the corrective action information and details within 30 days.

If you have any questions about this report, contact the HIPAA compliance team via email at hipaacomplaint@cms.hhs.gov. Please include the assessment reference number located at the top of this report.

Sincerely,
Michael Cimmino, Director
