

Variable	Col	Len	Format	Frequency	ComQues#	FacQues#	Variable Type & Label
----------	-----	-----	--------	-----------	----------	----------	-----------------------

This file tracks the movement of individuals between Community, facility, and skilled nursing facility settings. While the majority of respondents have only one setting throughout the year, the records allow for up to twenty occurrences of movement between a community and a facility setting. There is one record for each sample person who completed an interview.
