

MEDICARE NOTICE TO THE PUBLIC

This notice supersedes the prior notice of May 25, 2023. We have been notified that Solivita of Echo Manor, a skilled nursing facility located in Pickerington, OH, closed on June 3, 2023. Therefore, the remedy of Mandatory Termination effective June 13, 2023, is hereby rescinded. Under the provisions of 42 CFR section 489.52(b)(3), your Medicare provider agreement with the Secretary of Health and Human Services voluntarily terminated effective June 3, 2023. No payment can be made under the Medicare program for services rendered on or after June 3, 2023.

Due to your facility's closure during an open enforcement cycle, while the remedy of Mandatory Termination of your Medicare and Medicaid Provider Agreements was pending, the facility is subject to reasonable assurance when requesting re-entry into the Medicare and Medicaid programs.
