## How to Check This Notice

**Do you recognize the name of each facility?**  
Check the dates.

**Did you get the claims listed?** Do they match those listed on your receipts and bills?

**If you already paid the bill, did you pay the right amount?** Check the maximum you may be billed. See if the claim was sent to your Medicare supplement insurance (Medigap) plan or other insurer. That plan may pay your share.

## How to Report Fraud

If you think a facility or business is involved in fraud, call us at 1-800-MEDICARE (1-800-633-4227).

Some examples of fraud include offers for free medical services, or billing you for Medicare services you didn't get. If we determine that your tip led to uncovering fraud, you may qualify for a reward.

**You can make a difference!** Last year, Medicare saved tax-payers **\$4 billion**—the largest sum ever recovered in a single year—thanks to people who reported suspicious activity to Medicare.

## How to Get Help with Your Questions

**To report a change of address,** call Social Security at 1-800-772-1213. TTY users should call 1-800-325-0778.

**Early detection is your best protection.** Schedule your mammogram today, and remember that Medicare helps pay for screening mammograms.

**Do you use therapy services? Watch the limit!** In 2011, Medicare's annual coverage limit for most outpatient physical therapy and speech language pathology is \$1,860 combined.

# Your Outpatient Claims for Part B (Medical Insurance)

Part B Medical Insurance helps pay for outpatient care provided by certified medical facilities, such as hospital outpatient departments, renal dialysis facilities, and community health centers.

## Definitions of Columns

**Service Approved?:** This column tells you if Medicare covered the outpatient service.

**Amount Facility Charged:** This is your facility’s fee for this service.

**Medicare-Approved Amount:** This is the amount a facility can be paid for a Medicare service. It may be less than the actual amount the facility charged. The

facility has agreed to accept this amount as full payment for covered services. Medicare usually pays 80% of the Medicare-approved amount.

**Amount Medicare Paid:** This is the amount Medicare paid the facility. This is usually 80% of the Medicare-approved amount.

**Maximum You May Be Billed:** This is the total amount the facility is allowed to bill you, and can include a deductible, coinsurance, and other charges not covered. If you have Medicare Supplement Insurance (Medigap policy) or other insurance, it may pay all or part of this amount.
