

Minimum Essential Coverage Applicants Receiving Approval

July 10, 2015

The following list enumerates the applicant(s) whose coverage has been recognized as Minimum Essential Coverage (MEC) through the Centers for Medicare & Medicaid Services (CMS) application process. The applicant(s) on the list met substantially all the requirements of Title I of the Affordable Care Act that pertain to non-grandfathered, individual health insurance coverage, as well as all procedural requirements for application set out by CMS in regulations and guidance. CMS will update this list periodically as more applicants are recognized as MEC.
