

State Authorization of 2016 Plan ID Crosswalk

Background

The Plan ID Crosswalk Template crosswalks individual and small group market 2015 Qualified Health Plan (QHP) and Stand-alone Dental Plan (SADP) plan ID and service area combinations (e.g., Plan ID and County combinations) to a 2016 QHP plan ID. This data will facilitate automatic re-enrollment operations for both Federally-facilitated Marketplaces (FFMs) and Federally-facilitated Small Business Health Options Programs (FF-SHOPs). The template itself and instructions are available on the CMS CCIO website if you need more information (<http://cciio.cms.gov/programs/exchanges/qhp.html>).

Issuers are expected to submit evidence from the state, such as an email confirmation, that the issuer is authorized to submit its Plan ID Crosswalk. A state may choose to use this form as evidence that the issuer is authorized to submit its Plan ID Crosswalk. Use of this form is optional and a state may choose to develop its own form or method for documenting evidence of state authorization. If a state develops its own form, CMS requests that the state send a copy to CMS at QHP_Applications@cms.hhs.gov with the subject line "Plan ID Crosswalk Template – [STATE NAME] State Authorization Format"

State Authorization Form

A state may complete and return this form directly to the issuer for submission with their Plan ID Crosswalk template. An issuer should then submit this completed form to QHP_Applications@cms.hhs.gov and indicate in writing that they have not changed their template since obtaining state authorization.
