

Quick Tips: Marketplace Learning Management System Closing for Plan Year 2017 Registration and Training

What's happening?

Plan year 2017 Marketplace registration and training for agents and brokers will close, or “go dark,” on the Marketplace Learning Management System (MLMS) on July 21, 2017 at 12:01 PM ET as we prepare to launch registration and training for plan year 2018.

Things to Consider

- You cannot complete Marketplace registration and training for plan year 2017 after the MLMS closes on July 21.
- To be sure your profile is updated before the MLMS closes, do not sign up for a new plan year 2017 training curriculum (via the MLMS or a CMS-approved vendor) after July 14, 2017.
- Certificates showing you have completed plan year 2017 Marketplace registration will not be available after July 21, 2017 when the MLMS closes.

Next Steps

If you completed all plan year 2017 registration and training steps, including signing the necessary agreement(s), be sure to print your certificate(s) prior to July 21, 2017.
