Employee Choice by Insurance Company: While employers in all states are able to offer their employees a choice of a single health and/or dental plan or all health and/or dental plans at a single metal level of coverage, employers in the states listed below will also be able to offer their employees a choice of health and/or dental plans by insurance company. This allows employers to offer coverage options at different metal levels to their employees from a single insurance company.

Plan Year 2017 Federally-facilitated Marketplace (FFM) Registration and Refresher Training for Agents and Brokers Returning to the FFM

FFM Registration and Training Overview

Registration and Training Overview

- Registration for plan year 2017* is now available through the CMS Enterprise Portal (<https://portal.cms.gov/>).
- Check out the Kick-off Message from Kevin Counihan, CMS' Chief Executive Officer of the Marketplace and Director of the Center for Consumer Information & Insurance Oversight (CCIIO), on the Agents and Brokers Resources webpage (<http://go.cms.gov/CCIIOAB>).
- Agents and brokers who have previously participated in the FFMs already have a CMS Enterprise Portal account and should use their existing credentials to log in to the portal to access the MLMS.
- Agents and brokers who participated in the FFMs for plan year 2014 or 2015, but who did not participate for plan year 2016, have a CMS Enterprise Portal account and have completed identity proofing, but **will need to request the FFM Agent/Broker role when they log in.**

* 45 CFR § 155.20 defines “plan year” as a consecutive 12-month period during which a health plan provides coverage for health benefits. A plan year may be a calendar year or otherwise. 14

Registration and Training Overview (continued)

- Agents and brokers who participated in the FFMs during plan year 2016 already have an agent/broker profile on the MLMS and must complete the following actions:
 - Complete the assigned training courses and pass the exams through the MLMS via the CMS Enterprise Portal or through a CMS-approved vendor via the CMS Enterprise Portal*
 - Read and accept the applicable Marketplace Agreement(s) on the MLMS
- Returning Individual Marketplace agents and brokers are eligible to take Refresher Training to complete the plan year 2017 Individual Marketplace training requirement and will be automatically enrolled into the Refresher Training.
 - Returning agents or brokers who wish to take additional curricula (i.e., SHOP Marketplace training or the full Individual Marketplace training, instead of the shorter Refresher Training) must enroll in the curriculum they wish to take.

** Training is only required for participation in the Individual Marketplace. Agents and brokers who participate in the SHOP Marketplace are encouraged, but not required, to take SHOP Marketplace training.*

Registration and Training Overview (continued)

Enhancements to FFM Agent and Broker Registration for Plan Year 2017

While most of the registration steps are the same as in plan year 2016, there are a few new features for plan year 2017:

Plan Year 2017	Plan Year 2016
Identity proofing must be completed before an agent or broker is able to access the MLMS.	Identity proofing could be completed before or after completing FFM training.
Registration Completion Certificates will include the date when the agent or broker completes the plan year 2017 FFM registration requirement.	Registration Completion Certificates did not include the date that the agent or broker completed the plan year 2016 FFM registration requirement.

Registration and Training Overview (continued)

- For plan year 2017, CMS has three (3) training modules in the streamlined Refresher Training available for returning Individual Marketplace agents and brokers:
 - Basics Refresher Training
 - Individual Marketplace Refresher Training
 - Privacy and Security Refresher Training
- The Refresher Training also contains a Refresher Exam.
- Returning Individual Marketplace agents and brokers also have the option to take the entire training that is available to new agents and brokers.
- CMS will only be offering training in English for plan year 2017.

Depending on the market segment (i.e., Individual or SHOP Marketplaces) in which an FFM-registered agent or broker is assisting consumers, the training requirements vary.

Registration and Training Overview (continued)

Enhancements to FFM Agent and Broker Training for Plan Year 2017

While most of the training content is the same as in plan year 2016, there are a few new features for plan year 2017:

Plan Year 2017	Plan Year 2016
Agents and brokers who participated in the FFMs for the Individual Marketplace for plan year 2016 are eligible to take a streamlined Refresher Training either through the MLMS or a CMS-approved vendor regardless of how they completed the plan year 2016 training.	Agents and brokers who participated in the FFMs for the Individual Marketplace for the previous plan year had to retake the full agent and broker training for the current plan year.
CMS-approved vendors automatically send records of training completions to the MLMS.	Agents and brokers had to enter confirmation codes into the MLMS to confirm completion of CMS-approved vendor training.
Agents and brokers choosing training through the MLMS will enroll in curricula; course-level enrollment is not available.	Agents and brokers choosing training through the MLMS could enroll by course, potentially leading to confusion about which courses to enroll in.

Returning agents and brokers who completed plan year 2016 FFM registration for the Individual Marketplace are eligible to take the streamlined Refresher Training for returning Individual Marketplace agents and brokers for plan year 2017 and will continue to be eligible each year they complete the Refresher Training.

Registration and Training Overview (continued)

Agents and brokers must execute the Agreement(s) associated with the Marketplace(s) they are participating in:

- **Individual Marketplace General Agreement:** Includes terms for complying with federal and state laws, rules, standards, and policies.
- **Individual Marketplace Privacy and Security Agreement:** Includes privacy and security policies for protecting consumers' personally identifiable information (PII). The FFM privacy standards are consistent with the eight principles outlined in 45 CFR 155.260(a).
- **SHOP Marketplace Privacy and Security Agreement:** Includes privacy and security policies for protecting consumers' PII. The FFM privacy standards are consistent with the eight principles outlined in 45 CFR 155.260(a).

Registration and Training Overview (continued)

Upon successful completion of the FFM registration requirement, an agent or broker is able to generate a Registration Completion Certificate specific to the market segment(s) (i.e., individual and/or SHOP Marketplaces) for which he or she signed the Agreement(s).

- The QHP issuer(s) with which an agent or broker is affiliated may request to view his or her Registration Completion Certificate(s).
- However, QHP issuers are instructed to review the Agent and Broker FFM Registration Completion and Termination List(s) published by CMS via the Agents and Brokers Resources webpage at <http://go.cms.gov/CCIIOAB> to confirm the current registration status of agents and brokers.
- New for plan year 2017, the Registration Completion Certificate will include the date that the agent or broker completed registration.

Ensuring Agents' or Brokers' NPNs Are Associated with Their Profiles

Agents and brokers must enter a correct NPN in their MLMS profiles to receive credit for completing FFM registration.

- The NPN can be up to 10 digits long and must not begin with a zero.
- The NPN must not include any special characters or letters.
- The NPN is generally not the same as an agent's or broker's state license number. Agents and brokers should be sure to use their NPNs, not a state license number.
- To update the NPN, agents and brokers can select the “Complete Agent Broker Training” hyperlink and update the information in their MLMS profiles.
- Agent and broker NPNs can be found at: www.nipr.com/PacNpnSearch.htm.

Agents and brokers should confirm their NPNs are correct in their MLMS profiles. Entering an inaccurate NPN could result in denial of compensation/credit by an issuer.

CMS-approved Vendor
Training Option*

CMS-approved Vendor Training Option

- For plan year 2017, CMS has approved two vendors to offer FFM training to agents and brokers to fulfill the plan year 2017 training requirement.
- The CMS-approved vendors for plan year 2017 are:
 - **America's Health Insurance Plans, Inc. (AHIP):** For more information go to <https://www.ahipexchangetraining.com/file.php/1/public/About.html>
 - **National Association of Health Underwriters (NAHU):** For more information go to: <http://www.nahu.org/education/ffmtraining/index.cfm> or for CEU credit information visit <https://www.netstudy.com/nahu>

CMS-approved Vendor Training Option (continued)

- Agents and brokers who choose to complete training through a CMS-approved vendor must access the vendor's training via the MLMS and should not go directly to the vendor's website to access the training content.
- CMS-approved vendors may charge a fee to agents and brokers that choose to take their training.
- Agents and brokers who complete FFM training through a CMS-approved vendor still need to execute the applicable Agreement(s) on the MLMS prior to assisting consumers seeking to enroll in coverage through the FFMs.

Note: Vendors' conformation codes are not required for plan year 2017 training.

CMS-approved Vendor Training Option (continued)

The benefits of completing training through a CMS-approved vendor include:

- CMS-approved vendors are required to offer continuing education unit (CEU) credits in a minimum of five (5) states where the FFMs are operating (45 CFR § 155.222). The states where CEUs are offered may vary by CMS-approved vendor. Note: information on CEUs offered by each CMS-approved vendor is found in the CMS Enterprise Portal “Agent/Broker Training Options” Page by selecting on the “Learn More” link.
- Completion of a training curriculum, including the associated exams, through one of the CMS-approved vendors fulfills the FFM training requirement for agents and brokers registering to participate in the Individual Marketplace.
- CMS-approved vendors are required to cover, at a minimum, the same topic areas that are covered in the CMS training.
- All CMS-approved vendors offer Refresher Training to returning Individual Marketplace agents and brokers.

FFM Agent and Broker Registration and Training Steps

Process for Registration and Training Completion

Returning agents and brokers must complete four (4) steps to become registered to participate in the FFMs for plan year 2017:

1. Log into CMS Enterprise Portal and update MLMS profile information
2. Complete training*
3. Execute Agreement(s)
4. Confirm completion of all registration steps by logging back in to the “Agent/Broker Registration Status” page on the CMS Enterprise Portal

** CMS recommends that agents and brokers who choose to take training via a CMS-approved vendor complete training prior to updating their profile information.*

Step 1: Log into CMS Enterprise Portal and Update MLMS Profile

Once at <https://portal.cms.gov>, select the “Login to CMS Secure Portal” button at <https://portal.cms.gov>.

The screenshot displays the CMS.gov Enterprise Portal interface. At the top, the CMS.gov logo is on the left, and navigation links for Home, About CMS, Newsroom, Archive, Help & FAQs, Email, and Print are on the right. Below the logo, it says "Centers for Medicare & Medicaid Services". A search bar is present with the text "Learn about your healthcare options" and "Search CMS.gov". Two yellow buttons are visible: "Health Care Quality Improvement System" and "Provider Resources". A breadcrumb trail shows "CMS Portal > Welcome to CMS Portal".

The main content area features a large blue banner for "Welcome to PECOS Data Mart". The text on the banner reads: "The Provider Enrollment Chain Office System (PECOS) Data Mart promotes data sharing of Medicare enrolled health care providers through a current and consistent view of provider data that is accessible through COGNOS. It provides analytics and reporting capability through a web-based, self-service dashboard that enables CMS and its stakeholders to access information that improves provider focused processes, protects the integrity of the Medicare Trust Fund, and enables CMS to address categories of provider entity issues." A red arrow points from this banner to the right.

On the right side, there is a "CMS Secure Portal" section. It contains the text: "To log into the CMS Portal a CMS user account is required." Below this text is a prominent blue button with a lock icon and the text "Login to CMS Secure Portal". Underneath the button are three links: "Forgot User ID?", "Forgot Password?", and "New User Registration".

- As a returning agent or broker, you will be automatically enrolled into the Individual Marketplace Refresher Training curriculum, which will be listed under “Current Learning.”

Plan Year 2017 Agent/Broker Training Options

Agents and brokers have new options to complete Individual Marketplace and/or SHOP Marketplace training for the 2017 plan year. These include third-party vendors. Third-party vendor training may be approved for continuing education units (CEUs). Select “Learn More” next to each vendor’s listing to obtain information about pricing and CEUs. Please contact the vendor for more information, or if you are having difficulty accessing the vendor’s site.

CMS continues to offer training at no charge through its Marketplace Learning Management System (MLMS), but no CEUs are available through the MLMS.

If you select a vendor to complete training, you are consenting to being securely redirected to that third-party vendor’s site. After you complete training, you will receive a training completion confirmation code and instructions to access the MLMS (i.e., CMS’s system) to complete the agent/broker registration process.
