The Transitional Reinsurance Program is:

- A temporary program established by Section 1341 of the Affordable Care Act (ACA) to help stabilize premiums in the individual market
- Contributions are required for the 2014, 2015, and 2016 benefit years
- Contributions are used for reinsurance payments to issuers of non-grandfathered reinsurance-eligible individual market plans, the administrative costs of operating the reinsurance program, and the General Fund of the U.S. Treasury
The Department of Health and Human Services (HHS) implemented a streamlined approach, through Pay.gov, to complete the reinsurance contribution submission process which offers:

- A simplified method for Contributing (or Reporting) Entities to register and submit their annual enrollment count, be notified of the contribution amount owed, and remit contributions.
- A secure, web-based application owned by the Federal Government.
- A platform for external parties to submit forms online and make online payments to government agencies.

Pay.gov: Important Notes

Pay.gov Notes:

Only create one (1) Pay.gov account for your organization to complete the Contributions Submission process.

- Multiple Pay.gov accounts per Legal Business Name (LBN) or Tax Identification Number (TIN) should **NOT** be created.

Pay.gov does not limit the number of Forms filed or bank accounts used under one (1) Pay.gov account.

- However, each Form submission is limited to one (1) bank account per Contribution payment

Submit inquiries to reinsurancecontributions@cms.hhs.gov.

If your inquiry is specific to your Pay.gov user account, contact Pay.gov directly.
