Dear Director Wing-Heier:

On July 17, 2017, the Department of Health & Human Services and the Department of the Treasury approved Alaska's State Innovation Waiver under Section 1332 of the Affordable Care Act (ACA). Alaska's approved application waives the ACA's requirement for the single risk pool to implement a state reinsurance program called the Alaska Reinsurance Program for plan years 2018 through 2022. It is the Department of the Treasury's final administrative determination that Alaska's pass-through funding amount for calendar year 2021 is \$78,442,889. This determination reflects federal law as of March 10, 2021. For information on how the American Rescue Plan Act of 2021 may impact pass-through funding, please see here.¹

If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at Lina.Rashid@cms.hhs.gov or stateinnovationwaivers@cms.hhs.gov.

Sincerely,
