Dear Superintendent Cioppa:

On July 30, 2018, the Department of Health and Human Services and the Department of the Treasury approved Maine's State Innovation Waiver under Section 1332 of the Patient Protection and Affordable Care Act (PPACA). Maine's application sought to waive PPACA's requirement for the single risk pool to implement the Maine Guaranteed Access Reinsurance Association for 2019 and future years. It is the Department of the Treasury's final administrative determination that Maine's pass-through funding amount is \$62,298,300 for calendar year 2019. This amount reflects changes in Maine state law that will impact the waiver, namely Maine's extension of Medicaid eligibility to adult persons under age 65 with annual incomes below 133 percent of the federal poverty level, which took effect on April 1, 2019.

If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Robert Yates at Robert.Yates@cms.hhs.gov, Lina Rashid at Lina.Rashid@cms.hhs.gov, or stateinnovationwaivers@cms.hhs.gov.

Sincerely,

Maine's application sought to waive PPACA's requirement for the single risk pool in order to implement the Maine Guaranteed Access Reinsurance Association for 2019 and future years. The pass-through funding associated with this waiver for calendar year 2019 is estimated to be \$65,270,675. This amount will be subject to any changes in Maine state law or regulation that would impact the waiver, such as whether Maine expands Medicaid eligibility in 2019. Additionally, this amount will be subject to a final administrative determination by the Department of the Treasury prior to payment.

If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Robert Yates at Robert.Yates@cms.hhs.gov, Lina Rashid at Lina.Rashid@cms.hhs.gov, or stateinnovationwaivers@cms.hhs.gov.
