Dear Superintendent Cioppa:

On July 30, 2018, the Department of Health & Human Services and the Department of the Treasury approved Maine's State Innovation Waiver under Section 1332 of the Affordable Care Act (ACA). Maine's approved application waives the ACA's requirement for the single risk pool in order to implement a state reinsurance program called the Maine Guaranteed Access Reinsurance Association for plan years 2019 through 2023. It is the Department of the Treasury's final administrative determination that Maine's pass-through funding amount for calendar year 2021 is \$30,753,631. This determination reflects federal law as of March 10, 2021. For information on how the American Rescue Plan Act of 2021 may impact pass-through funding, please see here.<sup>1</sup>

If you have any questions regarding program matters or official correspondence concerning the waiver, please contact Lina Rashid at [Lina.Rashid@cms.hhs.gov](mailto:Lina.Rashid@cms.hhs.gov) or [stateinnovationwaivers@cms.hhs.gov](mailto:stateinnovationwaivers@cms.hhs.gov).
