Subject: Updated Federal Standard Renewal and Product Discontinuation Notices

I. Purpose

The purpose of this Bulletin is to provide updated Federal standard notices that must be used by an issuer in the individual market to provide notice of product discontinuation, coverage renewal, and non-renewal or termination based on enrollees' movement outside the product service area. Under 45 CFR 147.106 and 148.122, notice must be provided in a form and manner specified by the Secretary of Health and Human Services (the Secretary).¹ The notices and guidance in this Bulletin take into account public comments received on draft updated Federal standard notices published on April 21, 2016. This Bulletin also provides additional guidance related to the notice requirements in the group and individual market under the guaranteed renewability provisions.

II. Background

Under guaranteed renewability requirements at section 2703 of the Public Health Service Act (PHS Act) and implementing regulations at 45 CFR 147.106, a health insurance issuer that discontinues or renews a product² in the group or individual market through or outside of an Exchange (also referred to as a Health Insurance MarketplaceSM or MarketplaceSM³) (including a renewal with uniform modifications), or that non-renews or terminates coverage based on movement of all enrollees outside the product's service area in the group or individual market through or outside of a Marketplace, must provide written notice in a form and manner specified by the Secretary.⁴

¹ The standard notices included in this guidance are applicable only to issuers in the individual market and only in connection with product discontinuations, coverage renewals, and non-renewals or terminations based on enrollees' movement outside the product's service area. The standard notices may but are not required to be used to provide notice of market withdrawal. We note that, as excepted benefits, stand-alone dental plans are not subject to the guaranteed renewability requirements including the notice requirements at 45 CFR 147.106, but may be subject to requirements under applicable Federal civil rights authorities or State law.

² The terms "product" and "plan" are defined by regulation at 45 CFR 144.103.

³ Health Insurance MarketplaceSM and MarketplaceSM are service marks of the U.S. Department of Health & Human Services.

⁴ The requirement to provide notices of renewal applies only to issuers in the individual and small group markets. The requirement to provide notices of product discontinuation and notices of non-renewal or termination based on

Under qualified health plan (QHP) issuer regulations at 45 CFR 156.1255, a health insurance issuer in the individual market must include certain information in the applicable renewal and discontinuation notices.⁵ Those regulations address situations in which such an issuer (1) is renewing an enrollment group's coverage in a QHP offered through a Marketplace (including a renewal with uniform modifications), or (2) is non-renewing or terminating coverage based on a discontinuance of the product or there no longer being any enrollee in the plan who lives, resides, or works within the product's service area, and, consistent with applicable State law, automatically enrolling an enrollee in a QHP under a different product offered by the same QHP issuer through the Marketplace in accordance with 45 CFR 155.335(j).

On September 2, 2014, CMS published a Bulletin specifying the form and manner of the notices for product discontinuation, coverage renewal, and terminations based on enrollees' movement outside the service area. That Bulletin provided Federal standard notices to be used to satisfy the notice requirements in the individual market, except in certain cases in which a State develops and requires the use of a State-specific standard notice.⁶ Subsequent guidance indicated that until further guidance is issued, the Federal standard notices in the September 2, 2014 Bulletin should be utilized.⁷ On April 21, 2016, CMS published a subsequent Bulletin, which provided draft updated Federal standard notices and solicited public comment. With today's Bulletin, CMS is amending and finalizing those notices.⁸

III. Final Updated Federal Standard Notices

This Bulletin provides for issuers in the individual health insurance market final updated Federal standard notices of product discontinuation, coverage renewal, and non-renewal or termination based on enrollees' movement outside the service area. Except in certain cases in which an issuer is using a State-developed notice as discussed in section IX of this Bulletin, the final updated Federal standard notices in this Bulletin must be used for policy years beginning on or after January 1, 2018 (that is, beginning with notices required to be provided in connection with enrollment for coverage in policy years that start in 2018) to meet the Secretary's specification

enrollees' movement outside the service area applies to issuers in the individual, small group, and large group markets. These requirements are codified in the PHS Act at section 2703, as added by the Affordable Care Act, and at former section 2712 and section 2742, as added by the Health Insurance Portability and Accountability Act of 1996 prior to enactment of the Affordable Care Act, and codified in implementing regulations at 45 CFR 146.152, 147.106, and 148.122, respectively. For ease of reference, we refer in this Bulletin only to the requirements codified in section 2703 of the PHS Act and §147.106, but references to section 2703 and §147.106 should be considered to include references to the applicable sections of all three statutes and regulations.

regarding the form and manner of the required notices. For notices required to be provided before such time, issuers that use either the April 21, 2016 draft notices, the final updated Federal standard notices in this Bulletin, or the notices published in guidance on September 2, 2014, will meet the Secretary's specification regarding the form and manner of the required notices.

These final notices generally include the same content as the Federal standard notices that were included in the September 2, 2014 Bulletin, and the draft notices in the April 21, 2016 Bulletin. The notices have been updated based on CMS's experience communicating with consumers in the Marketplaces, which included consumer research, testing and feedback. The updates are designed to make the notices shorter, simpler and easier to understand and navigate, and to enable consumers to more readily identify critical consumer actions and deadlines. The notices also highlight the individual shared responsibility provision to encourage individuals to maintain continuous coverage when their coverage is non-renewed or terminated; explain that their amount of advance payments of the premium tax credit (APTC) may change and that in some cases consumers will be informed of their actual monthly payment in the bill they receive for the following coverage year; encourage consumers to report life changes to the Marketplace; and more clearly describe how consumers can get assistance in non-English languages, consistent with Marketplace notices. In response to public comments received on the draft updated notices published on April 21, 2016, the final updated notices warn consumers that they may not be able to switch to a Marketplace plan for the upcoming year, even if their finances change; clarify that the amount of estimated premiums for the upcoming year listed in the notice is based on current information such as the number of family members currently enrolled; specify the deadline for the first premium payment for the upcoming policy year; and specify that issuers may identify the enrollee's agent or broker, with contact information, as a source of assistance.

In the HHS Notice of Benefit and Payment Parameters for 2017, two changes were made to the Marketplace re-enrollment hierarchy at 45 CFR 155.335(j) to minimize potential disruption of enrollee eligibility for APTC and cost-sharing reductions (CSRs). The first change prioritizes re-enrollment into silver plans through the Marketplace. If the enrollee's current silver level QHP is no longer available for renewal and the enrollee's current product no longer includes a silver level QHP available through the Marketplace, the rule provides that the enrollee will be re-enrolled in a silver level QHP under a different product offered by the same QHP issuer through the Marketplace that is the most similar to the enrollee's current product. In this situation, the issuer would notify the enrollee using the standard notice in attachment 4 of this Bulletin that the enrollee will be automatically re-enrolled into a different product through the Marketplace. However, consistent with guaranteed renewability requirements, the notice would also explain that coverage may be renewed under the enrollee's current product (if available), at the option of the enrollee. If no such silver level QHP is available for enrollment through the Marketplace by the same QHP issuer, the enrollee's coverage will be renewed in a QHP that is one metal level higher or lower than the enrollee's current QHP under the same product. In this situation the issuer would notify the enrollee using the standard notice in attachment 2 of this Bulletin.

The second change addresses the situation in which the issuer no longer offers plans through the Marketplace. This may occur because the issuer has decided not to seek QHP recertification of every one of its Marketplace plans or because the issuer has decided to withdraw entirely from the market in the State, both inside and outside the Marketplace. In such cases, the regulation provides that, to the extent permitted by applicable State law, the Marketplaces may automatically enroll consumers into plans of other Marketplace issuers.

Where an issuer no longer has plans available for re-enrollment through the Marketplace but the enrollee's current product remains available for renewal outside the Marketplace, the issuer must allow the enrollee to renew coverage under the same product outside the Marketplace to comply with guaranteed renewability requirements. The issuer would use the standard notice in attachment 6 of this Bulletin. Where the issuer no longer has plans available for re-enrollment through the Marketplace; the enrollee's product is not available for renewal outside the Marketplace; and the issuer offers other products outside the Marketplace, the issuer would also use the standard notice in attachment 6 of this Bulletin, but may notify its enrollees of these facts in a separate communication and encourage them to enroll in one of its plans outside the Marketplace using a notice in any form and manner permitted under applicable State law and regulations. However, under no circumstance may an issuer automatically enroll an enrollee, who was in a Marketplace plan, in one of its plans outside the Marketplace (whether in the same product or a different product), unless directed otherwise by the applicable State authority or the Marketplace.

Consistent with previous guidance and as further specified below, in cases where a State develops and requires the use of a different form consistent with CMS guidance, issuers in that State will be required to use notices in the form and manner specified by the State.

IV. Electronic Delivery

Pursuant to the guaranteed renewability regulations, as specified above, a health insurance issuer must provide notice in writing, in a form and manner specified by the Secretary, to each plan sponsor or individual, as applicable, of product discontinuation, coverage renewal, and non-renewal or termination based on enrollees' movement outside a product's service area. Nothing in CMS rules prohibits issuers from providing notice electronically when the following conditions are met: (1) the issuer has given the individual or employer a choice of either standard mail or electronic communication;⁹ (2) the consumer has affirmatively consented to electronic communication; and (3) the issuer satisfies the requirements for electronic notices under other applicable Federal or State law.¹⁰ Under this approach, if an issuer cannot also send any other

⁹ Because notice must be provided in certain circumstances to individuals in the individual market and plan sponsors (and participants and beneficiaries) in the group market, the guidance relating to electronic delivery is relevant to issuers in the individual or group market.

supporting materials, such as a cover letter and summary of plan changes, in electronic format, the notice must be provided through standard mail.

V. Taglines and Nondiscrimination Notice

Issuers that are subject to language accessibility standards under Exchange rules at 45 CFR 155.205(c) and 156.250 or section 1557 of the Affordable Care Act and 45 CFR 92 (referred to in this Bulletin as “Section 1557”)¹¹ must comply with these authorities and standards. Generally, issuers offering coverage through the Marketplaces will be subject to Section 1557 and Exchange language accessibility standards at 45 CFR 155.205(c) and 156.250. Issuers subject to language accessibility standards under Exchange rules must provide taglines with these notices that are consistent with the applicable regulations and guidance and make the content of the notice accessible to individuals with limited English proficiency through oral interpretation and written translation. Section 1557 is the civil rights provision of the Affordable Care Act and prohibits discrimination on the basis of race, color, national origin, sex, age, or disability under “any health program or activity, any part of which is receiving Federal financial assistance ... or under any program or activity that is administered by an Executive agency or any entity established under [Title I of the Affordable Care Act].”¹²

VI. Instructions

This Bulletin also provides updated instructions to accompany the final updated Federal standard notices. These instructions must be used to complete the required fields in the updated Federal standard notices. Regardless of which version of the notices an issuer is using, if an issuer fails to modify the notices as specified in the applicable instructions, the issuer will not be considered to have provided notice in the form and manner specified by the Secretary. In particular, as specified in the instructions, information must be provided with the notice about significant changes to the enrollee’s plan (as defined in 45 CFR 144.103), including, among other things, metal level changes, cost-sharing changes including deductibles and out-of-pocket maximum, conditions of eligibility (or continued eligibility), and changes in the plan formulary.

VII. Timing of Product Discontinuation Notices

Due to the timing of QHP certification for 2017, consistent with guidance on the timing of individual market discontinuation notices issued in previous years, in connection with the open enrollment period for coverage in benefit year 2017, CMS will not take enforcement action

¹¹ 81 FR 31376 (May 18, 2016).

¹² For QHP issuers subject to Section 1557 that are principally engaged in the provision or administration of health-related services, health-related coverage or other health-related coverage, all of the issuer’s operations are considered part of the health program or activity, with limited exceptions. Consequently, a QHP issuer that is “principally engaged” must comply with the nondiscrimination requirements of Section 1557 for the issuer’s plans offered both inside and outside the Marketplaces. A non-QHP issuer offering coverage outside the Marketplaces might also be subject to Section 1557 if any health program or activity of the issuer receives Federal financial assistance. 45 CFR 92.2 and 92.4.

against an issuer for failing to send a discontinuation notice related to individual market coverage at least 90 days prior to discontinuation, as long as the issuer sends the notice consistent with the timeframes applicable to renewal notices, which for non-grandfathered, non-transitional plans is before the first day of the next annual open enrollment period, and for grandfathered and transitional plans is at least 60 days before the date of renewal. We encourage States to provide similar flexibility to issuers.

VIII. How to Provide Notice Regarding the End of Transitional Plans

We remind issuers that if the only changes to a product in the small group or individual market are made uniformly and solely to bring the coverage into compliance with applicable Federal or State requirements (including all laws, decisions, rules, regulations, or other action having the effect of law), then for purposes of Federal law, it would be considered the continuation of the product as a uniform modification of coverage under 45 CFR 147.106(e), and the issuer would provide a renewal notice in the form and manner prescribed by this Bulletin. This is true even if the issuer considers the product to be discontinued and replaced with a new product.¹³ Therefore, it is expected that for many consumers transitioning to Affordable Care Act-compliant plans following the expiration of the transitional policy,¹⁴ the consumer will receive a renewal notice (as opposed to a discontinuation notice) that adequately explains the changes to their coverage.

IX. Use of State-Developed Notices

Consistent with previous guidance, States that are enforcing the guaranteed renewability provisions under the Affordable Care Act¹⁵ may, without obtaining further approval from CMS, develop their own standard notices for product discontinuations, renewals of coverage, or both, provided the State-developed notices are at least as protective as the Federal standard notices. With respect to issuers in States that are not enforcing the guaranteed renewability provisions of the Affordable Care Act and issuers in enforcing States that decline to develop their own forms of notices, issuers must use the applicable Federal standard notices.

We refer readers to the criteria outlined in the September 2, 2014 Bulletin for the factors that will be considered to determine whether a State-developed form of the notices is at least as

protective as the Federal standard notices. States may but are not required to modify existing compliant State standard notices as a result of this Bulletin.

X. Student Health Insurance Coverage

Student health insurance coverage is defined as a type of individual health insurance coverage under Federal law. In the September 2, 2014 Bulletin, we indicated that we will consider a student health insurance issuer to have complied with the product renewal and discontinuation notice requirements if it notifies the institution of higher education regarding product discontinuations and renewals, and that we will not require issuers to notify student enrollees and their covered dependents of product discontinuations and renewals. However, given the importance of this information to student enrollees, and consistent with requirements for providing the summary of benefits and coverage (SBC) with respect to student health insurance coverage, we are revising our approach as described below.

For notices that are required to be provided under the guaranteed renewability rules for student health insurance coverage in connection with a renewal or product discontinuation effective after January 1, 2018 (that is, beginning with notices required to be provided in connection with enrollment for the 2018-2019 academic year), the issuer's requirement to provide the notice to student enrollees and their covered dependents will be considered satisfied if the issuer provides a timely and complete notice to the student, or if the issuer ensures that another party (e.g., the institution of higher education) does so. For this purpose, a student health insurance issuer that makes arrangements with another party to provide such notice is considered to satisfy the requirement to provide such notice if:

- The issuer monitors performance under the arrangement;
- If the issuer knows or has reason to know that the notice is not being provided in a manner that satisfies the applicable requirements and the issuer has all information necessary to correct the noncompliance, the issuer corrects the noncompliance as soon as practicable; and
- If the issuer knows or has reason to know that the notice is not being provided in a manner that satisfies the applicable requirements and the issuer does not have all information necessary to correct the noncompliance, the issuer communicates with covered students and dependents who are affected by the noncompliance regarding the noncompliance, and begins taking significant steps as soon as practicable to avoid future violations.

XI. Transfer of Products to a Related Issuer

In the HHS Notice of Benefit and Payment Parameters for 2018 proposed rule, CMS proposed that a product would be considered to be the same product under CMS regulations when offered by a different issuer within the issuer's controlled group, provided any changes to the product otherwise meet the standards for uniform modification of coverage. Because this interpretation

considers the product offered by the acquiring issuer in the controlled group to be the same as the product previously offered by the ceding issuer, the issuer of the coverage at the time notice must be provided (whether the ceding issuer or the acquiring issuer) would be required to provide a renewal notice in accordance with the guaranteed renewability regulations. If this proposal is finalized as proposed, an issuer in the individual market must use the applicable Federal standard renewal notice (or an applicable State-developed renewal notice, as permitted in section IX) to satisfy the renewal notice requirement. The issuer may modify the notice – only to the extent necessary -- to inform the individual of the transfer of the product to the acquiring issuer.

XII. Cover Letters and Supporting Materials

Consistent with previous guidance, issuers may provide additional information regarding renewals or discontinuations of coverage (such as a cover letter, SBC, or other description of benefits) in the same mailing as the Federal standard notices, to the extent permitted by applicable State law. Furthermore, issuers may include a company logo, signature line, or short legal footer in the Federal standard notices, as long as the form of the notices is not otherwise modified, except where permitted.

Pursuant to 45 CFR 147.200, issuers are required to provide enrollees an SBC in several instances, including, if renewal is automatic, no later than 30 days prior to the first day of the new plan or policy year. Pursuant to 45 CFR 156.420(h) and 156.425(c), QHP issuers are required to provide an SBC for each CSR plan variation of the standard QHP and to provide an individual whose assignment to the standard plan or CSR plan variation changes, with an SBC that accurately reflects the standard plan or new CSR plan variation applicable to the individual. Since issuers should receive updated eligibility information—including eligibility for CSRs—for enrollment groups that are being automatically re-enrolled in advance of the notice deadline, issuers should not provide an SBC until they receive information about the appropriate CSR variations, if applicable, from the Marketplace. For the purpose of describing plan changes in the Federal standard notices of renewal and product discontinuation, the issuer may use the current CSR eligibility if it has not received the updated CSR eligibility from the Marketplace by the time notice must be provided.¹⁶

XIII. Paperwork Reduction Act of 1995

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), CMS is publishing notice in the Federal Register concerning the proposed collections of information in this Bulletin for public comment. The updated Federal standard notices in this Bulletin are not effective until they have been approved by the Office of Management and Budget.

What you need to do

1. Update your [24 Marketplace] application by [25 Date].

Review your [26 Marketplace] application to make sure the information is still current and correct, and to see if you qualify for more or less financial help than in [27 Year]. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

2. Decide if you want to enroll in this plan or choose another one.

This means you can't get financial help to lower your out-of-pocket costs if you enroll in this plan. To get these savings if you qualify, you must go back to [31 the Marketplace] and enroll in a Silver plan. If you don't, any financial help you currently get to lower your out-of-pocket costs will stop on December 31.]

I want to pick a different plan.

You can choose a different plan between [32 Dates]. Enroll by [33 Date] for coverage to start January 1.

Here are some ways to look at other plans and enroll:

- Check with [36 Issuer] to see what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through [37 the Marketplace].

Note: If you got financial help in [38 Year] to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during [39 Year] with the amount you actually qualify for based on your final [40 Year] household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.

Important: Your plan will no longer be offered. Take action by [3 Date], or you'll be automatically enrolled in a different plan. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing [4 Issuer] for your health care needs. [5 We're here to help you prepare for Open Enrollment.]

Why am I getting this letter?

Beginning [6 Date], we won't offer your current health coverage [7 in your area]. The last day of your current coverage is [8 Date]. Read this letter carefully and review your options.

Your new plan for [9 Year]

We found another plan that may meet your needs. Starting in [10 Month], you'll be automatically enrolled in [11 Plan name].

Important: This isn't a [12 Marketplace] plan. This means you won't get any financial help lowering your monthly premium or out-of-pocket costs (like deductibles, copayments, and coinsurance) if you enroll in this plan. To see if you qualify for these savings and to enroll in a [13 Marketplace] plan, visit [14 Marketplace website] by [15 Date]. If you don't enroll in a [16 Marketplace] plan by [17 Date], you may not be able to switch to one for [18 Year], even if your finances change.

Your new premium

- Your current monthly premium is \$[19 Dollar amount].
- **Starting in [20 Month], your [21 estimated] monthly premium will be \$[22 Dollar amount]. Important:** This is only an estimate based on current information we have. It doesn't reflect any changes to your enrollment, such as adding additional members to your coverage. You'll see your new monthly payment amount when you get your [23 Month] bill.

Other changes

Attachment 3: Discontinuation notice for the individual market outside the Marketplace and the issuer is automatically enrolling the enrollee in a different plan

- You can review more details about this plan at [25 Issuer website] and in your [26 Year] Summary of Benefits and Coverage.

If you want to pick another plan, enroll by [27 Date] to make sure you have the coverage you want. See below for more information.

What you need to do

Decide if you want to enroll in this plan or choose another one.

I want to enroll in this plan.

Pay the monthly premium [28 by Date] and you'll be automatically enrolled.

I want to pick a different plan

You can choose a different plan between [29 Dates]. Enroll by [30 Date] for coverage to start [31 Date].

Here are some ways to look at other plans and enroll:

- Check with [32 Issuer] to see what other plans may be available.
- Visit [33 Marketplace website] to see [34 Marketplace] plans. Consumers who shop can save hundreds of dollars per year and can find a plan that best meets their needs and budget.

Thank you for choosing [5 Issuer] for your health care needs. [6 We're here to help you prepare for Open Enrollment].

Why am I getting this letter?

Beginning [7 Date], we won't offer [8 in your area] your current health coverage [9 in the Marketplace]. The last day of your current [10 Marketplace] coverage is [11 Date]. Read this letter carefully and review your options. Also make sure to update your information with [12 the Marketplace].

Your new plan for [13 Year]

We found another [14 Marketplace] plan that may meet your needs. Starting in [15 Month], you'll automatically be enrolled in [16 Plan name].

Your new premium

- Your [17 Current Year] monthly payment is \$[18 Dollar amount]. This reflects a monthly premium of \$[19 Dollar amount] minus \$[20 Dollar amount] of financial help per month.
- **Starting in [21 Month], your [22 estimated] monthly payment will be \$[23 Dollar amount].**

This reflects an [24 estimated] monthly premium of \$[25 Dollar amount] minus the same amount of financial help you're getting now. You'll see your new monthly payment when you receive your [26 Month] bill.

Important: This is only an estimate based on current information we have, including the amount of financial help you got in [27 Year]. It also doesn't reflect any changes to your enrollment, such as adding additional members to your coverage. To find out how much financial help you qualify for in [28 Year] and your new premium amount, update your [29 Marketplace] application. See below for more information.

If you want to pick another plan, enroll by [33 Date] to make sure you have the coverage you want. See below for more information.

What you need to do

1. Update your [34 Marketplace] application by [35 Date].

Review your [36 Marketplace] application to make sure the information is still current and correct, and to see if you may qualify for more or less financial help [37 in Year] than you're getting now. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

2. Decide if you want to enroll in this plan or choose another one.

I want to enroll in this plan.

Update your information in step #1, and then select [38 Plan name and ID] to enroll.

[39 For re-enrollment from a silver level QHP into a non-silver level QHP (except for Indian enrollees): **Important:** This isn't a Silver plan in [40 Year]. This means you can't get financial help to lower your out-of-pocket costs if you enroll in this plan. To get these savings if you qualify, you must go back to [41 the Marketplace] and enroll in a Silver plan. If you don't, any financial help you currently get to lower your out-of-pocket costs will stop on [42 Date].]

Note: If you got financial help in [56 Year] to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during [57 Year] with the amount you actually qualify for based on your final [58 Year] household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.

Instructions for Attachment 1 – Renewal notice for the individual market where coverage is being renewed outside the Marketplace

General instructions:

This notice must be used when coverage was purchased outside the Marketplace and will be renewed outside the Marketplace. This notice also must be used when coverage was purchased through the Marketplace and will be automatically renewed outside the Marketplace -- where permitted -- because the enrollee will not be automatically enrolled in another product offered through the Marketplace, in accordance with 45 CFR 155.335(j).

Item 1. Enter the date of the notice, in format Month DD, YYYY.

Item 2. Enter the full name and address of the primary subscriber. In the individual market, the primary subscriber means the individual who purchases the policy and who is responsible for the payment of premiums.

Item 3. Enter the date by which a plan selection must be made to avoid automatic re-enrollment, in format Month DD, YYYY.

Item 4. Enter the issuer name.

Item 5. Enter the phrase “We’re here to help you prepare for Open Enrollment” only if the current policy is renewing on a calendar year basis. Otherwise, omit and skip to item 6.

Item 6. For calendar year plans, enter the following year, in format YYYY. For non-calendar year plans, enter the month and year, in format Month YYYY.

Item 7. Enter the date by which a plan selection must be made to avoid automatic re-enrollment, in format Month DD.

Item 8. For calendar year plans, enter the following year, in format YYYY. For non-calendar year plans, enter the month and year, in format Month YYYY.

Item 9. Enter the Marketplace name. For a Federally-facilitated Marketplace, enter “Marketplace.”

Item 10. Enter the Marketplace name. For a Federally-facilitated Marketplace, enter “Marketplace.”

Item 11. Enter the Marketplace website. For a Federally-facilitated Marketplace, enter “HealthCare.gov.”

Item 12. Enter the date by which a plan selection must be made, in format Month DD.

Instructions for Attachment 1 – Renewal notice for the individual market where coverage is being renewed outside the Marketplace

Item 13. Include this sentence only if the enrollee (i) is currently enrolled in a QHP through the Marketplace; (ii) receives advanced payments of the premium tax credit or cost-sharing reductions; and (iii) will be renewed into a plan under the same product outside the Marketplace, where permitted. Otherwise, omit and skip to item 15.

Item 14. Enter the last day of coverage through the Marketplace, in format Month DD

Item 15. Enter the Marketplace name. For a Federally-facilitated Marketplace, enter “the Marketplace.”

Item 16. Enter the date by which a plan selection must be made, in format Month DD

Item 17. For calendar year plans enter the following year, in format YYYY. For non-calendar year plans, enter the phrase “until Open Enrollment”.

Item 18. For calendar year plans enter the following year, in format YYYY. For non-calendar year plans, enter the phrase “the next policy year”.

Item 19. If a calendar year plan, enter the current year, in format YYYY. If a non-calendar year plan, enter the word “current”.

Item 20. Enter the most recent monthly amount of premium for the enrollment group for which data are available, for the current policy year.

Item 21. Enter the beginning month of the following policy year.

Item 22. Include the word “estimated” if the new monthly premium for the following policy year has not yet been finalized at the time of providing the notice.

Item 23. Enter the monthly amount of premium for the enrollment group for which data are available, for the following policy year.

Item 24. Enter the month in which the enrollee will receive a bill for the actual monthly premium for the following policy year.
