

## Audit Toolkit

**Target Audience:** Physicians and other health care professionals

**Purpose:** The Audit materials compare and contrast the various Medicare and Medicaid reviews, audits, and investigations and provide information on how to minimize compliance risk and prepare for compliance reviews. The toolkit also describes how to design, execute, document, and monitor the results of a basic compliance self-audit of a health care business or medical practice.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Booklet, 1 Fact Sheet, and 1 Resource Guide

## Beneficiary Card Sharing Toolkit

**Target Audience:** Beneficiaries, beneficiary advocacy groups, community leaders, providers, and State Medicaid agencies

**Purpose:** The Beneficiary Card Sharing materials provide education on the issues associated with sharing Medicaid cards or numbers. The focus of the materials is deterring Medicaid beneficiaries from fraudulent activity through education about the problems and possible outcomes associated with sharing a Medicaid card or number.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Fact Sheet, and 1 Postcard

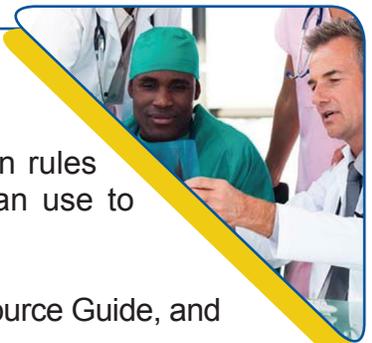

## Documentation Matters Toolkit

**Target Audience:** Medical professionals and State Medicaid agencies

**Purpose:** The Documentation Matters materials describe Medicaid documentation rules required by a variety of medical professionals and preventive strategies they can use to improve services and billing, and decrease improper payments.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Case Study Guide, 1 Resource Guide, and 3 Fact Sheets

## Drug Diversion Toolkit

**Target Audience:** Pharmacists, pharmacy technicians, pharmacy residents, pharmacy students, and State Medicaid agencies

**Purpose:** The Drug Diversion materials review various aspects of drug diversion, including the types of drug diversion, the targeted medications for drug diversion, drug diversion behaviors, preventive actions, and the consequences for providers and patients involved in drug diversion activities.

**Toolkit Items:** 3 PowerPoint® Presentations ( , 5 Booklets, 1 Fact Sheet, and 1 Resource Guide

## **Electronic Health Records Toolkit**

**Target Audience:** Providers, other medical professionals, and State Medicaid agencies

**Purpose:** The Electronic Health Record materials focus on potential program integrity issues while helping providers recognize that moving from paper medical records to electronic health records can improve the quality, safety, and efficiency of the nation's health care system.

**Toolkit Items:** 1 Fact Sheet, 1 Resource Guide

## **Fraud, Waste, and Abuse Toolkit**

**Target Audience:** Health care providers and State Medicaid agencies

**Purpose:** The Fraud, Waste, and Abuse materials give a general overview of Medicaid fraud and abuse so providers will be able to recognize, report, and prevent them. The toolkit also informs providers of Medicaid fraud prosecutions and settlements and some of the program integrity measures taken by government agencies.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Booklet, 1 Resource Guide, 1 Resource Handout, and 1 Fact Sheet

## **Hospice Toolkit**

**Target Audience:** Medicaid hospice providers, physicians, nursing facility administrators, beneficiaries and persons that help guide their care, and State Medicaid agencies

**Purpose:** The Hospice materials provide an overview of the Medicaid hospice benefit; the certification and enrollment process; examples of fraud, waste, and abuse; new practices for improvement in communication, documentation, and quality of care; and what hospice providers and other stakeholders can do to help reduce improper payments.

**Toolkit Items:** 2 Booklets, 2 Fact Sheets, and 1 Checklist

## **Managed Care Plan Compliance Toolkit**

**Target Audience:** Managed care plans (MCPs) and State Medicaid agencies

**Purpose:** The MCP Compliance materials encourage providers and stakeholders in the Medicaid community to become actively involved in preventing, detecting, and reporting Medicaid fraud, waste, and abuse. Materials provide clear and concise guidance to providers on detecting fraud, waste, and abuse; appropriate follow-up actions; sharing information; and making meaningful referrals.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Resource Handout, and 2 Fact Sheets

## Medicaid Compliance for the Dental Professional Toolkit

**Target Audience:** Dentists and State Medicaid agencies

**Purpose:** The Medicaid Compliance for the Dental Professional materials define and explain basic elements of a compliance program for dental professionals and how to facilitate compliance at the practice level. The products explain how to properly document medical necessity in the dental context and ways in which a dental practice can implement a Medicaid compliance program.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Resource Guide, 1 Booklet, and 1 Fact Sheet

## Non-Emergency Medical Transportation Toolkit

**Target Audience:** Medicaid beneficiaries, non-emergency medical transportation providers, and State Medicaid agencies

**Purpose:** The Non-Emergency Medical Transportation materials explain Medicaid transportation benefits and the importance for providers and beneficiaries to know the transportation rules in their States and to abide by them.

**Toolkit Items:** 1 PowerPoint® Presentation , 1 Booklet, and 1 Fact Sheet

## Nursing Home Toolkit

**Target Audience:** Medicaid-participating nursing home providers; Medicaid beneficiaries; beneficiary families and representatives; and State Medicaid agencies

**Purpose:** The Nursing Home materials contain an overview of nursing home Medicaid coverage rules and services, and discuss quality of care and reporting of abuse and neglect, as well as fraud, waste, and abuse in a nursing home environment.

**Toolkit Items:** 2 Booklets, and 2 Fact Sheets

## Off-Label Pharmaceutical Marketing Toolkit

**Target Audience:** Health care professionals, pharmaceutical manufacturers and representatives, and State Medicaid agencies

**Purpose:** The Off-Label materials describe the prohibition on manufacturer promotion of off-label uses of prescription drugs, suggest ways of recognizing and reporting off-label promotion, and provide links to resources that discuss the prohibition against manufacturer promotion of off-label uses and government efforts to curtail such promotion.

**Toolkit Items:** 1 Resource Guide, and 1 Fact Sheet

## **Partners in Integrity Toolkit**

**Target Audience:** Providers, physicians, and State Medicaid agencies

**Purpose:** The Partners in Integrity materials focus on providers' and physicians' responsibilities to recognize drug diversion; safeguard provider identifiers; and prevent fraud, waste, and abuse within the durable medical equipment and home health services fields.

**Toolkit Items:** 3 Booklets, 2 Fact Sheets, and 1 Postcard

## **Personal Care Services Toolkit**

**Target Audience:** Personal care services contractors, personal care attendants, State program integrity personnel, and State Medicaid agencies

**Purpose:** The Personal Care Services materials define personal care services, list common improper billing practices found in personal care services, explain the potential consequences of such improper billing, and list steps providers can take to avoid improper billing.

**Toolkit Items:** 1 Booklet, and 1 Fact Sheet

## **Pharmacy Education Toolkit**

**Target Audience:** Prescribing physicians, pharmacists, and State Medicaid agencies

**Purpose:** The Pharmacy Education materials provide the FDA-approved uses, risks, and potential adverse effects and applicable boxed warnings for both adult and pediatric use of the following drug classes: anticonvulsants, antidepressants, stimulants, atypical antipsychotics, proton pump inhibitors, and enoxaparin.

**Toolkit Items:** 11 Fact Sheets, 11 Dosing Tables, and 1 Billing Guide

## **Safeguarding Your Medical Identity Toolkit**

**Target Audience:** Providers and State Medicaid agencies

**Purpose:** The Safeguarding Your Medical Identity materials discuss the scope and definition of medical identity theft, common schemes using stolen identities, consequences for victims, mitigation strategies, and appropriate actions for potential victims of medical identity theft.

**Toolkit Items:** 1 PowerPoint® Presentation (CE) , 1 Booklet, 1 Resource Handout, and 1 Fact Sheet
