

**Medicare-Medicaid Alignment Integrated Care Initiative Demonstration
(ICI Demonstration)**

This contract was re-executed on August 3, 2016 in order to:

- Require the MMP to cover, as needed, opioid treatment program Health Home services for opioid dependent Enrollees who are receiving or who meet criteria for medication assisted treatment and have or are at risk for another chronic health condition. Coverage is contingent upon CMS approval of the State Plan Amendment for this service.
- Require the MMP to implement by February 1, 2017 Electronic Visit Verification for home and community-based services, as specified by RI EOHHS.
