

MEDICARE-MEDICAID COORDINATION OFFICE

DATE: June 4, 2019

TO: Medicare-Medicaid Plans and Minnesota Senior Health Options Plans

FROM: Lindsay P. Barnette
Director, Models, Demonstrations & Analysis Group

SUBJECT: Quality Improvement Organization Updates

Beginning June 8, 2019, some Quality Improvement Organization (QIO) assignments or contact information will change. The purpose of this memorandum is to notify Medicare-Medicaid Plans (MMPs) and Minnesota Senior Health Options (MSHO) Plans of QIO assignments by region and state, provide current QIO contact information, and give instructions for informing plan members of these changes.

KEPRO will serve as the QIO for states in regions 1, 4, 6, 8, and 10 as seen in Table 1 at the end of this memorandum. Livanta will be the QIO for states in regions 2, 3, 5, 7, and 9 as illustrated in Table 2 at the end of this memorandum. Current toll-free telephone and TTY numbers, mailing addresses, and links to websites where more information can be found are also included in Tables 1 and 2.

In accordance with the Contract Year (CY) 2019 Medicare Communications and Marketing Guidelines (MCMG) and state-specific marketing guidance, MMPs and MSHO Plans in states where QIO assignment or contact information has changed must update the CY 2019 Member Handbooks posted on their websites. In addition, MMPs and MSHO Plans must follow instructions in the MCMG and state-specific marketing guidance for “Mid-Year Change Notification to Enrollees” and notify current enrollees, who requested hard copy (or alternate format) Member Handbooks, of these changes. We remind MMPs and MSHO Plans that they must not use the errata process for these updates.

MMPs in Illinois, Ohio, South Carolina, and Texas, whose CY 2020 model member materials were recently issued through the Health Plan Management System (HPMS), must update their CY 2020 model materials with current QIO information before submitting to HPMS for approval and providing to plan members. We will work with MMPs and MSHO Plans in states whose CY 2020 model member materials have not yet been issued to ensure correct QIO information is included before release.

We will also post this memorandum to the Financial Alignment Initiative website at <https://www.cms.gov/Medicare-Medicaid-Coordination/Medicare-and-Medicaid->
