

**SNF CB ANNUAL UPDATE
JANUARY 2011**

2011 Annual Update:

The SNF consolidated billing file reflects new codes that have been developed for 2011 and codes that have been discontinued for 2010. In addition, the file reflects any additions and deletions to categories of services excluded from consolidated billing.

The annual update file below contains the complete list of HCPCS codes that are excluded from SNF CB for claims submitted to Fiscal Intermediaries/A/B MACS for payment. Minor Surgery and Part B therapy **inclusions** are also included with this file.

This file is effective for claims with dates of service on or after 1/01/2011 unless otherwise noted below.

Major Category III. A. -Chemotherapy
