Can Your Staff Code in ICD-10?

ICD-10 is less than 15 days away. Can your staff code in ICD-10?

The Centers for Medicare & Medicaid Services has released a new infographic to help you answer this question. If your team is not ready to code in ICD-10, you may not be able to successfully bill for your services.

Use **ICD-10** to Successfully Bill for Your Services

As with ICD-9, ample resources are available to assist you with coding for ICD-10.

- Official government coding guidelines cover:
 - Diagnosis coding – [ICD-10-CM Official Guidelines for Coding and Reporting 2016](#)
 - Procedure coding – [ICD-10-PCS Official Guidelines for Coding and Reporting 2016](#)
- American Hospital Association Coding Clinic Resources:
 - You may submit coding questions to the American Hospital Association's [codingclinicadvisor.com](#) or view [AHA's free webinars](#) (registration is required). When contacting the Coding Clinic Advisor, be sure to include documentation and specify whether your question refers to a specific setting like a skilled nursing facility or home health services. *Please note that the Coding Clinic Advisor will not respond to inquiries that include personal health information (PHI) or the names of providers or health care facilities.*
