ICD-10. COMPLIANCE DATE OCTOBER 1, 2015

News Updates | September 17, 2015

Are Your Clinicians Familiar with ICD-10 Coding and Documentation Concepts?

ICD-10 is less than 15 days away. Are your clinicians familiar with ICD-10 coding and documentation concepts?

The Centers for Medicare & Medicaid Services has released a new infographic to help you get familiar with ICD-10 clinical documentation concepts. If the documentation does not support the increased specificity required by ICD-10, you may not be able to successfully bill for your services.

Use **ICD-10** to Successfully Bill for Your Services

Clinical Concepts Guides for Specialties

ICD-10 codes require clinicians to capture concepts like laterality, severity, and more. To help you get ready for clinical documentation using these concepts, CMS has released a series of Clinical Concepts guides:

- [Family Practice](#)
- [Internal Medicine](#)
- [Cardiology](#)
- [OB/GYN](#)
- [Orthopedics](#)
- [Pediatrics](#)
